

**From:** vcs2vcs@github-sync2.dmz.scl3.mozilla.com  
**Subject:** [vcs2vcs] Successful no-op conversion for build-repos with warnings (3s)  
**Date:** 21 February 2014 02:36  
**To:** release+vcs2vcs@mozilla.com

---

Summary is non-zero:

error - Error getting changes for build-autoland; skipping!  
error - Error getting changes for build-buildapi; skipping!  
error - Error getting changes for build-buildbot-configs; skipping!  
error - Error getting changes for build-buildbotcustom; skipping!  
error - Error getting changes for build-cloud-tools; skipping!  
error - Error getting changes for build-mozharness; skipping!  
error - Error getting changes for build-opsi-package-sources; skipping!  
error - Error getting changes for build-partner-repacks; skipping!  
error - Error getting changes for build-preproduction; skipping!  
error - Error getting changes for build-puppet; skipping!  
error - Error getting changes for build-puppet-manifests; skipping!  
error - Error getting changes for build-rpm-sources; skipping!  
error - Error getting changes for build-talos; skipping!  
error - Error getting changes for build-tools; skipping!
