

Perspectives and Insights from India; Sample Program Itinerary

This program is designed as a ten days intensive exploration of two cities of north India ; the program begins in Delhi and then spread across to Jaipur in Rajasthan. In the greater Delhi and Jaipur environs, it focuses on Daily Mobile & Cultural Immersion "Missions". The sample itinerary as given below is just to give a basic idea of how typical days will look like. Tazurba International is open and flexible about discussing and developing it further while working together with Mozilla team.
