

# Follow the action with Firefox

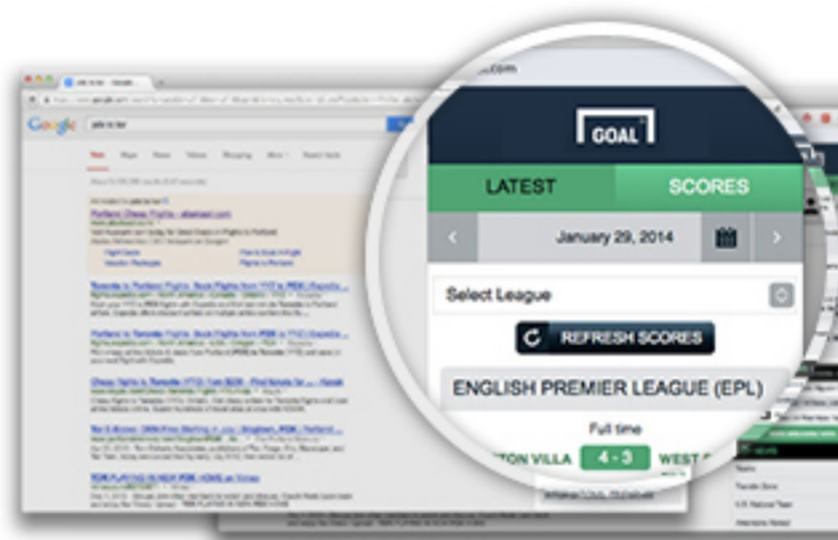

The world's biggest football (or soccer or fútbol or futebooooo!) competition is here, and Firefox has teamed up with Goal.com – the definitive source for football news from around the globe – to bring you access to all the latest scores, news and analysis from the action in Brazil.

## Brazil in your browser

There's no easier way to follow the action in Brazil than with the exclusive Goal.com sidebar for Firefox. Get constant access to all the latest scores and breaking news right in your browser – no matter where you go on the Web.

[Activate the sidebar now >>](#)

## Android All-access

Get tournament news directly on your start page with the Goal.com add-on for Firefox for Android.

[Install the add-on today >>](#)

## Football apps for Firefox OS

Want more ways to follow the competition? The Firefox Marketplace has all kinds of amazing apps, including our exclusive Goal.com app, that help keep your Firefox OS device connected to the action. Check them all out here.
