Do You Need?

Insert Cards

Laminate Cards

Mylar Pouches

Other Lanyard Orders Have Added These Items:
detachable buckle

XBASEW
sew on
breakaway

Please ask for pricing!

Please note that the front side of the lanyard can have the logo positioned in a specific location on the lanyard. If the lanyard is printed on both sides (front and back) the backside will be 'step and repeat'. Please note: Due to ink and material dye variations, to ensure your satisfaction, a pre-production sample is recommended and is very strongly recommended for orders over 1000 pcs.
