

Get some text here.

Followed by some bullets

- One
- Two
- Three
- Four

And then again some more text.

Now copy the text, and apply a text style to it, which has an indent of 3 cm.

Get some text here.

Followed by some bullets

- One
- Two
- Three
- Four

Text moves 3 cm, but not the bullets !

The bullets have the Text Body applied, but don't indent.
