PROFESSIONAL EXPERIENCE

Wal-Mart Stores, Inc.

Bentonville, AR

Manager- Financial Reporting and Analysis

12/14- Present

- Lead the financial review meeting and present the consolidated balance sheet packet to the Senior Vice President, segment controllers, and other leaders in Walmart, Walmart International, Sam's Club, and Walmart ecommerce.
- Prepare the executive balance sheet packet given to the CEO and the CFO for the quarterly financial review, identifying the major business drivers of the company and the financial impact of the company's strategic initiatives.
- Developed new key performance metrics to measure the impact of newly implemented inventory management policies and the \$900M initiative to close underperforming stores.
- Implemented new procedures to developing the monthly International review package at the request of the Walmart International CFO, resulting in a 50% reduction in turnaround time to distribute the analysis to Leadership.

PricewaterhouseCoopers

Dallas, TX

Senior Associate

06/14-12/14

- Oversaw the Goldman Sachs engagement as the Lead Senior Associate and coordinated the day to day activities of the engagement team of over 25 associates, leading to a successful audit of over 150 private equity and real estate funds.
- Designed and implemented a new process to deliver over 2,700 hours of audit work to service team in India, resulting in improved efficiencies for the audit team and increased profitability of the engagement.
- Managed the client relationship by implementing feedback from the client, resolving disagreements, and taking the lead to sponsor social activities to foster improved relationships.

Associate

08/11-06/14

- Performed audit work specializing in private equity, banking, and alternative investment engagements, helping to ensure that client financial statements were in accordance with US GAAP and free of material error.
- Promoted new strategies as the Global Assurance Delivery Model Champion for the North Texas market, encouraging teams to leverage international resources which would result in increased profitability.
- Completed a rotation in the PwC Advisory group in Chicago, IL for the Independent Foreclosure Review project and successfully reviewed foreclosures from 2008-2010 by a large multi-national financial institution, leading to analysis of contractual and federal laws and recommendation of remediation to borrowers that were harmed.
