

SATA disk

VirtIO disk

VirtIO SCSI disk

In storage view, it shows as 25 GiB

DiskTest_Disk1	31f696a5-1f3e-4951-be...		DiskTest	25 GiB	OK	Image	
----------------	--------------------------	--	----------	--------	----	-------	--

The actual size on the gluster volume is 64MB though

DiskTest_Disk1	31f696a5-1f3e-4951-be...	DiskTest	25 GiB	OK	Image
----------------	--------------------------	----------	--------	----	-------

```
