

'Prayer for a Loved One'

Lord you know there's a heart that is breaking,
But you know just what to do,
It belongs to a dear niece of mine,
Please help her to see this through.

I know you see her tears Lord,
And she's precious in your sight,
Please reach inside her heart Lord,
With your peace and love tonight.

I know what you can do Lord,
Because you have done it so many times for me,
And tonight I'm asking with a humble heart,
That you would hear my plea.

There is a loved one she is missing,
Every year I go down the same road,
That's why I am asking you Lord,
Please let me help her carry this load.

That is how much she means to me Lord,
It is more than I can show,
But bringing it all to you Lord,
Will help her this I know.

Thank you for your love Lord,
Thank you for your peace,
Thank you for answering this prayer,
About my very special niece.
