Lindsay and Jack turn the corner in the hallway and find Cat her husband MATT (Mid 30's Fit, tan, he looks like he's stepped out of a Ralph Lauren ad), his best friend KERRY (Mid 30's a party boy who hasn't fully embraced his age) and Kerry's girlfriend CARRIE (Mid 20's She's just happy to be along for the ride) sitting on a deck that overlooks the valley. Matt jumps up and greets both of them.

MATT

MATT
