

Voluntary Self-Identification of Disability

Why are you being asked to complete this form?

Because we do business with the government, we must reach out to, hire, and provide equal opportunity to qualified people with disabilities.¹ To help us measure how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for a job, any answer you give will be kept private and will not be used against you in any way.

If you already work for us, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our employees to update their information every five years. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?

You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition.

Disabilities include, but are not limited to:

- Blindness
- Deafness
- Cancer
- Diabetes
- Epilepsy
- Autism
- Cerebral palsy
- HIV/AIDS
- Schizophrenia
- Muscular dystrophy
- Bipolar disorder
- Major depression
- Multiple sclerosis (MS)
- Missing limbs or partially missing limbs
- Post-traumatic stress disorder (PTSD)
- Obsessive compulsive disorder

Please check one of the boxes below:

Reasonable Accommodation Notice

Federal law requires employers to provide reasonable accommodation to qualified individuals with disabilities. Examples of reasonable accommodation include making a change to the application process or work procedures, providing documents in an alternate format, using a sign language interpreter, or using specialized equipment.

SOCIAL SECURITY ADMINISTRATION

Application for a Social Security Card

Applying for a Social Security Card is free!

USE THIS APPLICATION TO:

- Apply for an original Social Security card
- Apply for a replacement Social Security card
- Change or correct information on your Social Security number record

IMPORTANT: You **MUST** provide a properly completed application and the required evidence before we can process your application. We can only accept original documents or documents certified by the custodian of the original record. Notarized copies or photocopies which have not been certified by the custodian of the record are not acceptable. We will return any documents submitted with your application. For assistance call us at 1-800-772-1213 or visit our website at www.socialsecurity.gov.

Original Social Security Card

To apply for an original card, you must provide at least two documents to prove age, identity, and U.S. citizenship or current lawful, work-authorized immigration status. If you are not a U.S. citizen and do not have DHS work authorization, you must prove that you have a valid non-work reason for requesting a card. See page 2 for an explanation of acceptable documents.

NOTE: If you are age 12 or older and have never received a Social Security number, you must apply in person.

Replacement Social Security Card

To apply for a replacement card, you must provide one document to prove your identity. If you were born outside the U.S., you must also provide documents to prove your U.S. citizenship or current, lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

Changing Information on Your Social Security Record

To change the information on your Social Security number record (i.e., a name or citizenship change, or corrected date of birth) you must provide documents to prove your identity, support the requested change, and establish the reason for the change. For example, you may provide a birth certificate to show your correct date of birth. A document supporting a name change must be recent and identify you by both your old and new names. If the name change event occurred over two years ago or if the name change document does not have enough information to prove your identity, you must also provide documents to prove your identity in your prior name and/or in some cases your new legal name. If you were born outside the U.S. you must provide a document to prove your U.S. citizenship or current lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

LIMITS ON REPLACEMENT SOCIAL SECURITY CARDS

Public Law 108-458 limits the number of replacement Social Security cards you may receive to 3 per calendar year and 10 in a lifetime. Cards issued to reflect changes to your legal name or changes to a work authorization legend do not count toward these limits. We may also grant exceptions to these limits if you provide evidence from an official source to establish that a Social Security card is required.

IF YOU HAVE ANY QUESTIONS

If you have any questions about this form or about the evidence documents you must provide, please visit our website at www.socialsecurity.gov for additional information as well as locations of our offices and Social Security Card Centers. You may also call Social Security at 1-800-772-1213. You can also find your nearest office or Card Center in your local phone book.

EVIDENCE DOCUMENTS

The following lists are examples of the types of documents you must provide with your application and are not all inclusive. Call us at 1-800-772-1213 if you cannot provide these documents.

IMPORTANT : If you are completing this application on behalf of someone else, you must provide evidence that shows your authority to sign the application as well as documents to prove your identity and the identity of the person for whom you are filing the application. We can only accept original documents or documents certified by the custodian of the original record. Notarized copies or photocopies which have not been certified by the custodian of the record are not acceptable.

Evidence of Age

In general, you must provide your birth certificate. In some situations, we may accept another document that shows your age. Some of the other documents we may accept are:

- U.S. hospital record of your birth (created at the time of birth)
- Religious record established before age five showing your age or date of birth
- Passport
- Final Adoption Decree (the adoption decree must show that the birth information was taken from the original birth certificate)

Evidence of Identity

You must provide current, unexpired evidence of identity in your legal name. Your legal name will be shown on the Social Security card. Generally, we prefer to see documents issued in the U.S. Documents you submit to establish identity must show your legal name AND provide biographical information (your date of birth, age, or parents' names) **and/or** physical information (photograph, or physical description - height, eye and hair color, etc.). If you send a photo identity document but do not appear in person, the document must show your biographical information (e.g., your date of birth, age, or parents' names). Generally, documents without an expiration date should have been issued within the past two years for adults and within the past four years for children.

As proof of your identity, you must provide a:

- U.S. driver's license; or
- U.S. State-issued non-driver identity card; or
- U.S. passport

If you do not have one of the documents above or cannot get a replacement within 10 work days, we may accept other documents that show your legal name and biographical information, such as a U.S. military identity card, Certificate of Naturalization, employee identity card, certified copy of medical record (clinic, doctor or hospital), health insurance card, Medicaid card, or school identity card/record. For young children, we may accept medical records (clinic, doctor, or hospital) maintained by the medical provider. We may also accept a final adoption decree, or a school identity card, or other school record maintained by the school.

If you are not a U.S. citizen, we must see your current U.S. immigration document(s) and your foreign passport with biographical information or photograph.

WE CANNOT ACCEPT A BIRTH CERTIFICATE, HOSPITAL SOUVENIR BIRTH CERTIFICATE, SOCIAL SECURITY CARD STUB OR A SOCIAL SECURITY RECORD as evidence of identity.

Evidence of U.S. Citizenship

In general, you must provide your U.S. birth certificate or U.S. Passport. Other documents you may provide are a Consular Report of Birth, Certificate of Citizenship, or Certificate of Naturalization.

Evidence of Immigration Status

You must provide a current unexpired document issued to you by the Department of Homeland Security (DHS) showing your immigration status, such as Form I-551, I-94, or I-766. If you are an international student or exchange visitor, you may need to provide additional documents, such as Form I-20, DS-2019, or a letter authorizing employment from your school and employer (F-1) or sponsor (J-1). We **CANNOT** accept a receipt showing you applied for the document. If you are not authorized to work in the U.S., we can issue you a Social Security card only if you need the number for a valid non-work reason. Your card will be marked to show you cannot work and if you do work, we will notify DHS. See page 3, item 5 for more information.

The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent us from issuing you a Social Security number and card.

We rarely use the information you supply for any purpose other than for issuing a Social Security number and card. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Complete lists of routine uses for this information are available in System of Records Notice 60-0058 (Master Files of Social Security Number (SSN) Holders and SSN Applications). Form W-4 (2016)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2016 expires February 15, 2017. See Pub. 505, Tax Withholding and Estimated Tax.

Note: If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

Exceptions. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2016. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.
