Tuition Fee Loan REPAYABLE NON-INCOME ASSESSED

You may not be eligible for a Tuition Fee Loan if you already hold a UK honours degree.

If you are undertaking a course at a university or college in England, Wales or Northern Ireland that is charging variable or flexible tuition fees up to a maximum of £3,145, you will be able to take out a Tuition Fee Loan to cover some or all of these fees (depending on how much you are charged and how much you wish to borrow).

If you are undertaking a course at a university or college in England, Wales or Northern Ireland that is not charging variable or flexible tuition fees then the tuition fee chargeable could be any amount up to a maximum of £1,255. You can apply for a Tuition Fee Loan to cover this cost.

If you are undertaking a course at a private university or college then you may be charged more than £3,145 for tuition fees. You can still apply for a Tuition Fee Loan up to the maximum of £3,145 if your course is one that qualifies for tuition fee support.

The Tuition Fee Loan borrowed will be paid directly to the relevant university or college once your attendance is confirmed.

Welsh Tuition Fee Grant NON-REPAYABLE NON-INCOME ASSESSED

This grant will help fund the difference between the £1,255 and the £3,145 that your university or college in Wales may charge you if they charge flexible fees. You will be liable to pay the first £1,255 of any course fee charged by your university or college but you can fund this by means of a repayable Tuition Fee Loan. Please see the note on Tuition Fee Loan for further information.

The Tuition Fee Grant will be paid directly to your university or college.

If you normally live in Wales and study at university or college in Wales that is not charging flexible fees you will not be eligible to receive the Tuition Fee Grant. You will be liable to pay the full course fee charged up to £1,255. You may choose to fund the amount charged by applying for the repayable Tuition Fee Loan. Please see the note on Tuition Fee Loan for further information.

Section 4 about your course, and your college or university

a1 You should give details of your first choice. If you later accept a place on a different course or at a different university or college, you must notify us immediately. If you do not, it will delay your application.

b You should give the full tuition fee amount of your first choice. If you later accept a place on a different course or at a different university or college, you must notify us of the new tuition fee amount charged.

e Full-time undergraduate course

For these courses you will attend university or college on most days of the week and for most weeks of the year (apart from weekends and the usual holidays). You must attend the course for at least 24 weeks in the academic year, unless it is the last academic year of the course, in which case you must attend for at least eight weeks. The course must also last for at least one academic year. You will still be considered to be attending your course even if arrangements have been made by your university or college for you to take the course without having to attend.

Full-time foundation degrees

Foundation degrees are employment-related higher education qualifications designed to give you the skills needed at the relevant professional and higher technician level. They are designed to be flexible to suit different situations, and you can complete foundation degrees in two years if you study full-time.

Full-time distance learning

Distance learning is a programme of study that comprises video, printed and on-line materials that allows students to study at home with a tutor based elsewhere.

Full-time course involving a placement (“sandwich” course)

This kind of course includes full-time education at the university or college, plus periods of industrial or work placement.

e Part-time ITT/Flexible postgraduate ITT course

You will need to provide a letter from your university or college confirming the number of weeks you will be on full-time study and full-time teaching practice.

Section 4 about your course, and your college or university

Full-time postgraduate Initial Teacher Training (ITT) course

For these courses you must attend full-time, for either study or teaching practice, for an aggregate of at least six weeks in the year. If your periods of full-time study including teaching practice amount to less than six weeks you may only receive a reduced rate Tuition Fee Loan. You will still be considered to be attending your course even if arrangements have been made by your university or college for you to take the course without having to attend.

- i** Please send the official letter indicating that you have been offered a state-funded place on a dance and drama course at a privately funded institution.

Section 5 previous loan or financial support and other information

- a** You will not normally be able to get any grants or another loan until you are up to date with your repayments on any previous loans you have had from Student Loans Company (SLC). If you have any mortgage style loan(s) (generally awarded to students who started courses before the 1998-1999 academic year) from SLC and you think that you may be behind on the repayments you should call 0870 242 3220 for advice.
- If you have any previous Income Contingent Repayment (ICR) loan(s), have remained in the UK and your earnings have reached the repayment threshold, repayments should have been collected through the PAYE system by your employer(s) or, if you are self employed, by HM Revenue & Customs. If you have been overseas for a period of 3 months or more and did not make arrangements to continue repayments you may have fallen behind with repayments. If you are unsure whether you are up to date with repayments, please call SLC on 0870 240 6298 for further clarification and advice.
- b** You will not normally be able to get any grants or another loan until you have signed all of the relevant documents. You should call SLC on 0845 026 2012 for advice.
- c2** If you did not finish your course due to compelling personal reasons (which does not include reasons of academic performance alone), you must give full details in this section and send the necessary documentary evidence to support the reasons you give.
- e** If you have applied, or will be applying, for a social work bursary from the National Health Service Business Services Authority (NHSBSA) or Social Services Inspectorate you should answer “no” to this question because this is a separate bursary to those offered by the NHS, DoH or DHSSPS.
- If you are receiving or are likely to receive a **non-income assessed bursary** then you are **not** eligible for any other student finance unless you are a seconded student studying a health related course and you have been advised that you cannot apply for any bursary at all, either income or non-income assessed.
- If you are unsure about your eligibility for a bursary, contact the NHS Pensions Agency Student Grants Unit on 01253 775290.

Loan request form

If you have previously worked in the UK you may have a National Insurance Number. If you have a National Insurance Number it will allow us to match you with your tax records when you repay your loan after you have finished studying. You will find your National Insurance Number on:

- a National Insurance Number card;
- a payslip;
- an income tax document such as a P45 or P60; or
- a form from your local Jobcentre Plus, Jobcentre or Social Security Office.

If you have a National Insurance Number but cannot find it, you should contact HM Revenue & Customs (HMRC) National Insurance Registrations helpline on 0845 915 7006. If your situation is more complicated, you should visit a Jobcentre Plus for help.

If you do not have a National Insurance Number you should leave the National Insurance Number box blank.

Tuition Fee Loan

This loan is ONLY for your course tuition fees and is paid directly to your university or college once they confirm your attendance on the course.

If you are studying at a university or college in England, Wales or Northern Ireland the amount you can borrow is based on the tuition fees your university or college is asking you to pay, up to a maximum of £3,145.

You can apply for a Tuition Fee Loan at any time in the academic year provided you are within the time limit. The time limit for applying is usually nine months from the start of the academic year.

Declarations

If you have applied for a course of study in England and you receive a Tuition Fee Loan, there is a legally binding contract between you and the Secretary of State. The Loan Request Form including the declarations are an integral part of your contract with the Secretary of State. Additional terms of the contract are to be found in Regulations made under section 22 of the Teaching and Higher Education Act 1998, as amended from time to time, or successor legislation.

The Loan Request Form including the declarations are an integral part of your contract with the Welsh Ministers. Additional terms of the contract are to be found in Regulations made under section 22 of the Teaching and Higher Education Act 1998, as amended from time to time, or successor legislation.

- you stop attending the course and do not intend, or are not allowed, to return for the rest of the academic year;
- you transfer to a different course at the same, or a different, university or college;
- you transfer from a full-time to a part-time course;
- you repeat part or all of a year of your course; or

Information about data sharing for bursary and scholarship purposes

Universities and colleges will be offering financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - "bursary administration purposes") they will ask the Secretary of State and your Local Education Authority (if your place of study is in England), the Welsh Ministers and your Local Authority (if your place of study is in Wales) and the Department for Employment and Learning and your Education and Library Board (if your place of study is in Northern Ireland) and the Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date).

We will share the relevant information with them, unless you indicate that you do not wish us to do so by ticking the box on the declaration. If you **do not** give consent for us to share this information, the payment of any bursary or scholarship to which you may be entitled will be delayed.

Please contact the university or college if you require further information about their bursaries and scholarships.
