On 06/15/2010 I was working in Seattle Police uniformed patrol in a marked patrol car as 1-SAM-12. I was dispatched to the vicinity of 44 Av S/S Myrtle St for the report of a burglary.

The witness, [REDACTED] advised 911 dispatch that there were three black males involved, possibly in their teens. Two suspects had black coats on and a third with a green coat, and one was possibly wearing a scarf. [REDACTED] stated two subjects, both in black coats were sitting upon the porch of 70 [REDACTED] 44 Av S. One of the two males repeatedly walked to the rear of the home. Approximately 20 minutes later [REDACTED] observed one of the two males return with a third male wearing a green coat ([REDACTED] was wearing a green coat). [REDACTED] stated the subjects were wearing backpacks as they left the driveway.

I observed three subjects matching the above description walking E/B on S Myrtle St looking behind them as they went. The subjects later identified as [REDACTED] and [REDACTED] were detained. [REDACTED] and [REDACTED] were dressed in black, [REDACTED] was wearing a green coat and a backpack.

I read each their Miranda Warnings from my department issued MIR card, including juvenile warnings to the juveniles. Each stated they understood. [REDACTED] arrived on scene and positively identified the subjects. Each of the subjects were arrested for investigation of burglary. Property damage and signs of entry were found at the victim's home. [REDACTED] identified 70 [REDACTED] 44 Av S as the home in which she observed [REDACTED] and [REDACTED] and [REDACTED].

During a search incident to arrest [REDACTED] was in possession of a silver ring with a green stone face and clover leaf in the center. The ring was found in his front left pocket. [REDACTED] stated the ring did not belong to him, nor did the pants he was wearing. The ring was submitted as evidence. [REDACTED] admitted to taking the ring from the residence.

[REDACTED] and [REDACTED] stated [REDACTED] was not involved in the burglary. However, it appears [REDACTED] was involved as a lookout during entry of the house by [REDACTED] and [REDACTED]. [REDACTED] and [REDACTED] provided written statements in which they admit entering the home at 70 [REDACTED] 44 AV S unlawfully.

All were arrested for investigation of burglary and transported to the South Precinct. [REDACTED] was interviewed and released from the precinct. [REDACTED] and [REDACTED] were booked into YSC for investigation of burglary. The incident and arrest was screened by Sgt. Bakiano on scene.
