

A red V-shaped line is centered on the page. The text 'A4L' is written in red, positioned at the vertex of the V. The line extends from the bottom-left towards the top-right, and from the bottom-right towards the top-left, meeting at the center.

A4L

A4P

A red line is shown on a white background. The line starts from the bottom-left corner and extends towards the top-right corner. At a certain point, the line changes its slope, becoming steeper. This point of change is labeled with the text 'A5L' in red. The label is positioned just above and to the right of the kink in the line.
