DREAM
"I Got The Tip"
2017-09-14

Dear **Jesus**,

Wednesday, 13 September 2017, 9PM.

On Thursday, 7 September 2017, I had a dream just before waking up around 6PM.

I DREAMED THAT:

I was with my Family, which included my wife (M), her Father and Mother, and her Sister and Brother-in-Law and their offspring.

We were at a restaurant, having had dinner for a Family celebration.

As we prepared to leave, my Father-in-Law went up to the counter to pay the bill. I saw that as he was paying, he didn't include any extra amount for a tip.

So, in order to correct his oversight, I said to my Dad-in-Law that

"I GOT THE TIP",

and hurried back to our table and left an appropriate amount of money.

Then we all departed the Restaurant.

END OF DREAM.

Blessings...
