A NEW LEVEL OF EXCELLENCE There has never been a development in Marbella like this fantastic project. Build by famous experienced construction company in Marbella. Architectonic design, the use of new materials and the latest technologies in construction are the three main pillars of this splendid project. Five iconic buildings, constructed with the innovative eco-friendly SISMO technology, will house 112 unique apartments from ground floor to fifth floor levels set in beautiful tropical gardens in the heart of the emblematic Golden Mile of Marbella. From its elevated position and the curved covered terraces, which are extensions of the interior living space, the complex will enjoy excellent views across the Mediterranean. All the apartments are comprised of three to four ...
