

Isabella Victoria Kozaka

November 17, 2006 - October 4, 2015

Isabella Victoria Kozaka always wanted to have wings and fly. When she was 3 and a half years old she asked her Dad to go to the garage and build her wings so she could fly. She was granted her angel wings on October 4, 2015. She was born on November 17th, 2006, in Chicago, and she brought into our lives a lot of love, laughter, kindness and smiles that could melt hearts. She enjoyed spending time with us and her brother, going on vacations, to the zoo, the beach and many walks. She loved animals, especially butterflies, art, swimming, water slides, movie nights, jumping on the bed or trampoline with her brother and dancing with all of us.

We are glad that we were touched by the angel on earth that Isabella was. We are honored that we were her parents for the short 8 years.

Isabella leaves behind her loving parents, Monika and Jerry. brother Gabriel, grandfather Jozef Chaniewicz, and in Poland grandparents Wiktoria and Zdzislaw Kozaka and an uncle and aunts, with their families.

“ Monika, Jerzey and Gabriel,

There truly are no words to express the sorrow I feel hearing the sad news.

I'm blessed to have met Isabella several times...and an angel, she was.

Please know that I think of you often and have prayed and will continue to pray for all of you. It is hard to find comfort at this time, so I hope that memories of Isabella will warm you, and in time, bring you peace.
