## Virtual Pop Idol 2021

**Nadia Z, Gracie J, Anya P**

### Year 4:

**Freya N, Amelie E, Mia B**

### Year 5:

**Tulisa R, Annie G, Lilly C, Taylor B**

**Nadia Z 3MS**

The standard of singing was very high from everyone and Mr Quine, Mrs Baker and Miss Devine chose Annie from 5JC and Nadia from 3MS to record their songs again at school to represent Roseacre in the competition.

We are very pleased and proud to announce that Annie G 5JC won 2nd Prize singing 'Never Enough' from The Greatest Showman, and received her trophy this week. A huge well done to everyone who took part.

## Making Us Proud

### Roseacre at Bloomfield Road

Oliver T, Levi A, Thomas W, Oliver J, Jack J, Tristan T  
From The Foxhall under 9's team were lucky enough to play in a football festival at Bloomfield road during the half term. They all played really well and loved the experience.

## Meet the Team

## Miss Blundell

**Hello I would like to introduce myself. My name is Miss Blundell and I am thrilled to be teaching in September.**

I have recently qualified as a teacher and completed part of my training at Roseacre and becoming a teacher here is an extremely proud moment. A little bit about me. I previously worked for Fleetwood Town Community Trust where I taught P.E and PSHE in many primary schools and as you may gather I love sports, especially cricket.

I have been lucky enough to have played for 23 years and have played for Lancashire. Playing cricket has enabled me to play in South Africa, Australia and all over England. I currently play and captain Blackpool Cricket Club's women and girls side. Another sport I enjoy which is very new to me of fly fishing, I enjoy fishing in the River Wyre near Scorton.

I am delighted to join the Roseacre family as the children and staff are wonderful and I can't wait to see you all.

## Homeless Helper

Thank you to all who supported our last fundraising day before half term for 'Homeless Helper'. We raised a whopping £409.57 total!

# Big Bee Challenge

The Big Bee Challenge is Radio 2's brand new competition for kids, in partnership with the Royal Horticultural Society.

It's a fun and creative way to learn more about bees and other insects that help provide much of the food we eat, and are essential for a healthy environment.

We want you to design a bright, buzzy garden that will attract bees and other pollinating insects. The winner's design will be built by the RHS at an NHS Trust site which is used by children and young people / with mental health needs.

The lucky winner will be invited to open the garden at an outside broadcast of The Zoe Ball Breakfast Show on Friday 20 August 2021!

**It's super simple to enter. Paint, sketch or draw a gorgeous garden on the entry form**

**Think about the plants that bees love. Remember bees also get thirsty and they need a safe place to rest and lay their eggs. And don't forget to include a place for hospital patients, staff and visitors to sit (humans!). Then write 3-5 sentences telling us more about your design and why you want to help the bees.**
