“ I am so very sorry for your loss. William (aka Cpt. PITA) (Self proclaimed), will be forever in my heart. He was one of my first patients and I fell in love instantly. It didn't take long for me to see the kind, caring, unique man that was inside. Although I'm sorry he had to visit our center more frequently than he would have liked I did look forward to his appointments. He made me laugh, and cry. I will miss his poems that he made up on the spot, his stories of war, politics, the flea market, picking up seashells in Florida and of course, buying a nu-step. Of the 16 years I have been a nurse I can say he was my all time favorite patient. It was my privilege to take care of him and my honor to call him my friend. My prayers to Lois and the entire family. R.I.P Captain PITA. You will be sadly missed. Debbie Arndt
