IW National
Conference

14-16th May 2021

Hi all – I hope you all had a wonderful Christmas and New Year with your loved ones.

I must admit this year has not started too well for me – and I apologise for not being available for the first Supper Club meeting.

So much to look forward to this year and specifically the Conference in Queenstown. We have a few people keen to attend and will need to register very soon. If you are keen – it will be a wonderful opportunity to see our the Inner Wheel Group as a whole connect.

Membership is still a big part of your goals for this new year and I encourage everyone to “spread the word” - you never know who may want to be part of our lovely group.

Our sausage sizzle at the end of last year was a great success and a big thanks to all who helped out. \$700 will be handed over to the Southern Cochlear Implant Programme which I am sure they will put to good use.

I look forward to seeing you all at our first meeting on the 22nd February at the new venue – the Reece Room at the same church site.

Uniting Canterbury Women is a platform for women from all over Canterbury to connect, share and support each other, while promoting a message of kindness, compassion, and love. Jo was devastated by the 2019 mosque terror attacks and wanted to act. Asking herself how she could inspire and encourage unity amongst women of Ōtautahi, she reached out to her Muslim friend and Uniting Canterbury Women was born.

Donations

Southern Cochlear Implant Programme will receive \$700 from our last sausage sizzle. Then almost \$200 was raised and donated to Aunties from our Christmas outing where club members gave money in lieu of the usual Xmas gifts. Wow what a great feeling it is to be able to donate to committed and underfunded #needing support organisations.

Up coming positions for club positions

If you can spare any time to take up a vacant role, you will never regret it - It is truly a way to gain skills, mix in a more involved manner and have your chance to help grow and develop our phenomenal club.

If you want to stand for any roles please either email either Secretaries or President Diane, or have a side word at any time.

THINKING
OF YOU

10 Year's since Christchurch experienced a trail of destruction leaving 185 families without a loved one, many more injured and all Cantabrian's affected in some way or another. It has been a very difficult decade for us all but looking ahead with hope and excitement as the people and the city rebuild's.

Anyone who has been to Turanga (city library), Out patients, Justice precinct, Town Hall, or the almost finished Te Pae (convention centre) See on a daily basis progress now and into the future.
