“ Gail was my mom's neighbor in Claxton for many years. I recently moved in when my mom went into a nursing home. Gail was a great neighbor and I always enjoyed talking to her. My condolences to John and her family

“ Mom was like a best friend to me. When I lost my legs we became really close. I remember waking up after being on life support and she was holding and running my hand. She was saying be strong Karen, you can beat this. When I opened my eyes just seeing the smile on her face and dad's is something that I will never forget. Remember mom, I got my strength from you. I love you and will miss you so much! Good bye momma...until we meet again.
