**“How To Prepare a Digital Image of Your Art” by Larry Vogel**

**Friday, August 17, 2018, 1:30PM-3:30PM**

Seminar by photographer/artist **Larry Vogel** at the Buena Vista Nature Center, 2202 S. Coast Hwy, Oceanside, on how to prepare a digital image of your art. This is a must-see seminar not only to prepare your art for shows and publication, but also to share online. Donations requested.

***A few words from COAL President, Charles Dozer . . .***

Thanks to our member participants in the current show and to all our ribbon-winners, especially to the Best of Show, “Fresh Catch Fisherman” by photographer, Tim Sell.

August is our Annual Open Juried Art Show and we have historically had around 300 images submitted for judging by a team of Judges. We are excited to have Linda Doll and John Cosby and look forward to wonderful art to be submitted in all categories.

Following the success of our 4th Thursday live figure-drawing last month in the COAL patio, we are continuing that event July 26<sup>th</sup>, August 23<sup>rd</sup>, September 27<sup>th</sup>(Art Hop). Please join us and if you like, sign up with Char Cee Colosia to “draw/paint.”

On August 17 COAL is hosting a Seminar at the Nature Center (where we hold our demos) by Larry Vogel, who is presenting how to digitally capture your art and have it available for online submission to galleries. This process is becoming the way for many venues to accept and jury-in art and photos. We are hosting this event, for which we are accepting donations, because many members have been asking about the process and we listened and are responding. Hope to see you there. We hope you are having a wonderful summer and enjoy your membership with COAL.

Best, Chuck Dozer, (760) 753-4784, [cdozerphoto@sbcglobal.net](mailto:cdozerphoto@sbcglobal.net)

***. . . and a few more words from COAL Gallery Director, Judy Richardson***

We stayed open on the 4<sup>th</sup> of July and had a ton of visitors. Labor Day, Monday, Sept. 3<sup>rd</sup> is usually closed. If you are interested in hosting the gallery on this holiday, contact me. The first two members who contact me will receive a free entry. [JudyLuvsArt@att.net](mailto:JudyLuvsArt@att.net)  
June sales were \$2,150.00. We have already sold \$1,000 of art during the first week in July.

The Open Juried Show Take-in is July 28 & 29, 10:00 AM to 3:00 PM. The Prospectus and entry forms are on the website & on the desk at COAL. There are reminder cards on the desk. Please help to make it a success. Carefully read the rules and guidelines on the prospectus.

At the end of this year I will have been on the board for nine years. I'll be retiring from the gallery manager position at the end of this year. Please consider filling the position or nominate a friend. There are two assist. gallery mgr. positions that help to make the job easier.

Diane Adams is still waiting to hear from you to volunteer to help set up the High School Show in April 2019. Contact Diane and let her know you are willing to help her. COAL sponsors this show. 760-757-5368 or [dadams@miracosta.edu](mailto:dadams@miracosta.edu)

We need volunteers. If a Board position sounds like too much, volunteer to be our “eblaster.” Cindy Fatica will show you the ropes. [cindyf8755@att.net](mailto:cindyf8755@att.net)

We need your help so we can open our doors and display our art. ***Please volunteer.***

**COAL Artist Website Pages Update Coming . . .**

The COAL artist pages have been non-functioning for the past three or so years because until now, we haven't had anyone with the know-how to keep them up. Consequently, your pages became obsolete. We are very lucky to have COAL member, Stevie Benintende, who has volunteered to streamline and update them for us. During this process your pages will go dark so that incorrect information is not on the website. The revisions may take two to three months as Stevie has a full-time job. We will keep you posted on their progress. Please join us in thanking Stevie for undertaking this important project.

Thank you, Stevie Benintende and Sarah Strand for undertaking the updating of our website, the artist

pages and website maintenance. These are important jobs and with the retirement of our webmaster, the two of you are filling a critical need. You will make a great team. Thank you, both!
