Ocean Wind Power Maps Reveal Possible Wind Energy Sources (Science Daily)

9 Jul 2008 at 9:22pm

Efforts to harness the energy potential of Earth's ocean winds could soon gain an important new tool: global satellite maps from NASA. Scientists have been creating maps using nearly a decade of data from NASA's QuikSCAT satellite that reveal ocean areas where winds could produce wind energy. The...

Ocean Wind Power Maps Reveal Possible Wind Energy Sources (PhysOrg)

9 Jul 2008 at 12:03pm

Efforts to harness the energy potential of Earth's ocean winds could soon gain an important new tool: global satellite maps from NASA. Scientists have been creating maps using nearly a decade of data from NASA's QuikSCAT satellite that reveal ocean areas where winds could produce wind energy.

NASA: Ocean Wind Power Maps Reveal Possible Wind Energy Sources (SpaceRef)

10 Jul 2008 at 10:29am

Efforts to harness the energy potential of Earth's ocean winds could soon gain an important new tool: global satellite maps from NASA.

T. Boone Pickens' Wind Vision Can Rapidly Become a Reality: American Wind Energy Association (The Auto Channel)

8 Jul 2008 at 11:51pm

WASHINGTON, DC - July 9, 2008: The American Wind Energy Association yesterday welcomed the campaign launched by T. Boone Pickens to strengthen U.S. economic and energy security by boosting wind power production and confirmed that ramping up wind power quickly on a large scale is feasible if the...
