

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is being filed for immediate effectiveness pursuant to Section 19(b)(3)(A) ⁷ of the Act and Rule 19b-4(f)(6) ⁸ promulgated thereunder. The foregoing rule change effects a change that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

A proposed rule change filed under Rule 19b-4(f)(6) becomes effective upon filing but normally does not become operative prior to 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii), ⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and public interest. The Exchange requests that the Commission waive the 30-day delayed operative date, so that the proposed rule change may become operative on January 1, 2008. In particular, the sole purpose of the proposed rule change is to conform NYSE's version of NYSE Rule 409 to FINRA's proposed amendments to NYSE Rule 409, in furtherance of the consolidation of the member firm regulations functions of NYSE Regulation and NASD. NYSE requests that the effective date of the proposed rule change be January 1, 2008, to conform to the effective date of FINRA's identical amendment to Rule 409 to ensure that Rule 409 maintains its status as a Common Rule under the 17d-2 Agreement. As provided in paragraph 2(b) of the Agreement, FINRA and NYSE will, absent a disagreement about the substance of a proposed rule change to one of the Common Rules, promptly propose conforming changes to ensure that such rules continue to be Common Rules under the Agreement.

In accordance with Rule 19b-4, ¹⁰ NYSE submitted written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing. NYSE has requested that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) ¹¹ under the Act based upon

a representation that the temporary exemptive relief provided by FINRA and NYSE expires on January 1, 2008, and to conform to the identical rule amendments proposed by FINRA. In light of the foregoing, the Commission believes such waiver is consistent with the protection of investors and the public interest. Accordingly, the Commission designates the proposal to be effective upon filing with the Commission and operative on January 1, 2008. ¹²

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
