Dear FCC:

FCC: How long does it take to approve a merger? Lets get this show on the road. Howard Stern, with his \$500 million salary is milking Sirius dry. If there were only one company, Howard would have to take what they give him and the rest of us would benefit.

I also like the prospect of Baseball, football, and NASCA all in one place. It would be too expensive for me to maintain both an XM and Sirius subscription.

Thanks

Sincerely,

David Wolf
