HUTTON		N/A, This is an assembly	Shore power cable, 100' main section. Description: 100 foot length THOF-500 cable with three female Duraline Positive Latching Cam-Type E1022 Connectors on the first end and three male Duraline Positive Latching Cam-Type E1022 Connectors on the opposite end. Each end must have a Raychem heat shrink boot to seal the crotch. Assembly will be rated to carry 480 volts AC, 400 amperes, 60 hertz, 3 phase. Each Duraline connector phase will be appropriately colored, A-Black, B-White, and C-Red. There will be two feet of cable between each Rachem boot and Duraline connector.		ENGINEERING	2	JAD Industrial			JAD Industrial, 2911 Short Cut Road, Pascagoula, MS 39567		
HUTTON		N/A, This is an assembly	Shore power cable, 75' main section. Description: 75 foot length THOF-500 cable with three female Duraline Positive Latching Cam-Type E1022 Connectors on the first end and three male Duraline Positive Latching Cam-Type E1022 Connectors on the opposite end. Each end must have a Raychem heat shrink boot to seal the crotch. Assembly will be rated to carry 480 volts AC, 400 amperes, 60 hertz, 3 phase. Each Duraline connector phase will be appropriately colored, A-Black, B-White, and C-Red. There will be two feet of cable between each Rachem boot and Duraline connector. HUTTON		N/A, This is an assembly	Shore power cable, pigtail, shore end with plug. Description: 10 foot THOF-500 pigtail with three female Duraline Positive Latching Cam-Type E1022 Connectors with a Raychem heat shrink boot to seal the crotch on the first end and a molded shore power plug (Navy Symbol 1160) on the opposite end. Assembly will be rated to carry 480 volts AC, 400 amperes, 60 hertz, 3 phase. Each Duraline connector phase will be appropriately colored, A-Black, B-White, and C-Red. There will be two feet of cable between each Rachem boot and Duraline connector.		ENGINEERING	2	JAD Industrial			JAD Industrial, 2911 Short Cut Road, Pascagoula, MS 39567		
HUTTON		N/A, This is an assembly	Shore power cable, pigtail, shore end without plug. Description: 10 foot THOF-500 pigtail with three female Duraline Positive Latching Cam-Type E1022 Connectors on the first end and three feet of the outer insulation removed to expose the individual three insulated wires on the opposite end. Each end must have a Raychem heat shrink boot to seal the crotch. Assembly will be rated to carry 480 volts AC, 400 amperes, 60 hertz, 3 phase. Each Duraline connector phase will be appropriately colored, A-Black, B-White, and C-Red. There will be two feet of cable between each Rachem boot and Duraline connector.		ENGINEERING	2	JAD Industrial			JAD Industrial, 2911 Short Cut Road, Pascagoula, MS 39567		
HUTTON		N/A, This is an assembly	Shore power cable, pigtail, ship end. Description: 10 foot THOF-500 pigtail with no fitting on the first end (not stripped) and three male Duraline Positive Latching Cam-Type E1022 Connectors with a Raychem heat shrink boot to seal the crotch on the opposite end. Assembly will be rated to carry 480 volts AC, 400 amperes, 60 hertz, 3 phase. Each Duraline connector phase will be appropriately colored, A-Black, B-White, and C-Red. There will be two feet of cable between each Rachem boot and Duraline connector.		ENGINEERING	2	JAD Industrial			JAD Industrial, 2911 Short Cut Road, Pascagoula, MS 39567
