CHINESE MOON FESTIVAL FAMILY DAYS PROGRAMS OCTOBER 14-15, 2006

We offer arts & crafts demonstrations and children's workshops throughout each day given by the artisans from the city of Linyi and staff from the Shanghai Botanic Garden. Linyi, in the Shandong province of the People's Republic of China, has a long tradition (over 2,400 years) of fine arts and crafts. Its illustrious native sons include the famous calligrapher Wang Xizhi. This is a rare opportunity for the whole family to see and learn from modern-day masters of the ancient arts!

All activities are free; however, please register in advance to help us in having enough supplies and seating for participants. Children's Workshops are recommended for ages 7 and over.
