*Numbers shown here may differ from numbers produced in actual calculations due to rounding.
 ** Numbers shown with "-" reflect negative values. See Results section entitled "Country-Specific (Negative) Estimates" for more information.

NOTE: This residual foreign-born population is not an estimate of the number of unauthorized migrants. This estimate also includes people in "quasi-legal" status who are awaiting action on their legal migration requests. Any limitations in the methods or in the measurement of other migration components are reflected in the residual number.
