\* Project management certification attained by Federal Project Directors certified to manage Capital Asset Projects (CAP) in the U.S. Department of Energy (DOE) and the National Nuclear Security Administration (NNSA). This list identifies most recent level of certification attained as issued by DOE/NNSA (i.e. Level I, II, III, or IV). Please note that Federal project Directors can attain successive levels of certification. This list does not include Information Technology Federal Project Director certifications.

**Congratulations Certified Federal Project Directors**
