Dear FCC:

Hello my name is Robert Carman I feel that the merger between XM and Sirius will benefit all the people involved. As a Sirius subscriber and stock holder I feel that it will give me a better choice of things that I actually want to listen to. I can choose the programs with the new proposed subscriptions, where as now there are MANY channels that I don't even listen to that I am "paying for." Thank you for listening to me and I really do hope that this merger goes through for the good of EVERYONE.

Sincerely,

Robert E. Carman
