

How Are Applications Reviewed and Rated?

ILAB will review grant applications and present the results to the Grant Officer who will make the selection of organizations to be awarded grants. In general, applications which do not propose to meet the necessary criteria will not be selected.

The following factors will be considered in evaluating a grant application:

1. *Program Design:* The proposed HIV/AIDS workplace education program must address all of the following:

- * Education and training for government, business, and labor leaders, as well as private work sites and vocational schools, as appropriate.

- * Development of workplace policy statements/codes of conduct.

- * Capacity building for the tripartite stakeholders.

- * The proposal has clearly stated objectives and activities, which are appropriate and related to the stated objectives.

- * The organization has the global infrastructure and human resources to conduct the program on a worldwide basis, and to reach out directly to the tripartite social partners.

- * The proposal includes plans for baseline surveys and knowledge assessment studies, and studies on the socio-economic impact of HIV/AIDS.

- * The proposal includes a plan to evaluate the program's effectiveness and includes plans for sustainability of the program.

2. *Capability of the Organization to Provide Services:*

- * The organization applying for the grant has experience in or the capability of working directly with the tripartite stakeholders, experience or the capability of reviewing and drafting legislative frameworks, and developing workplace policies and codes of conduct addressing discrimination.

- * The organization applying for the grant has experience in or the capability of performing workplace education.

- * The organization applying has experience in or the capability of managing a variety of programs.

- * The application is complete, including forms, budget detail, narrative, work plan, and required attachments.

Note: The capability of the organization may be demonstrated by one or more staff members assigned to oversee the project having experience in the following areas:

(1) Workplace safety and health programs; (2) labor law and codes of conduct; (3) research on the socio-economic impact of HIV/AIDS; and (4) the capacity to develop direct access to Ministries of Labor,

employers' organizations, and trade union representatives or comparable entities.

3. Budget:

- * The budgeted costs are reasonable.

- * The budget complies with Federal cost principles (which can be found in the applicable OMB Circulars) and with ILAB budget requirements contained in the grant application instructions.

How Much Money Is Available for Grants?

There is approximately \$ 8.5 million available for this program. The agency has not determined the number of grants to be awarded and the amount of each grant award.

What Is the Length of Time for the Grants Awarded?

The grants are to be awarded for a three-year period.

What the Notice of Interest Should Include?

The Notice of Interest must include a brief description of the interested party and brief summary of types of past grants that the interested party has been awarded. The notice should be no longer than two pages.

DEPARTMENT OF LABOR

Employment and Training Administration

Division of Foreign Labor Certification; Designation of Centralized Location in Each State for the Processing of H-2A Applications; General Administration Letter No. 2-01

The Employment and Training Administration administers and interprets the requirements of the temporary, alien agricultural labor certification (H-2A) program. These interpretations are issued in General Administration Letters (GAL's) to its Regional Offices and the State Employment Security Agencies. The GAL below is published in the **Federal Register** in order to inform the public.

GAL No. 2-01

GAL No. 2-01 lists the centralized H-2A processing locations in each state.

Signed at Washington, DC this 10th day of April 2001.

Raymond J. Uhalde,

Deputy Assistant Secretary of Labor.

U. S. Department of Labor

Employment and Training Administration
Washington, D.C. 20210

Classification: H-2A

Correspondence Symbol: OWS

Date: March 14, 2001

Directive: General Administration Letter No. 2-01

To: All State Employment Security Agencies
From: Lenita Jacobs-Simmons, Deputy Assistant Secretary

Subject: Designation of Centralized Location in Each State for the Processing of H-2A Applications

1. *Purpose.* To distribute a list of the centralized H-2A processing locations in each State.

2. *References.* 20 CFR part 655, Subpart B 20 CFR 655.101(a).

3. *Background.* As a result of funding reductions and streamlining measures which have occurred throughout the years, most States have transferred the H-2A functions to a centralized location within the State to better coordinate the programmatic efforts between the State and the Regional Office and to expedite the H-2A certification process. The H-2A regulations at 20 CFR 655.101 require the simultaneous submission of an H-2A application to the Regional Office of the Department of Labor (DOL) and the State Employment Service Agency (SESA) in the area of intended employment. While most of the functions of the H-2A process are actually administered by one or more State-level office(s), the regulations frequently refer to the local offices of the SESA when referring to the recruitment process of the application. Most, if not all, of the correspondence that occurs during the submission of the application and the recruitment process is actually between the employer and a centralized location within the State, since most States have designated a centralized location for the processing of H-2A applications.

4. *Action Required.* SESAs are required to assure that employers using the H-2A program in their areas are aware of the specific location where filing and notification must occur. In the very near future, the Employment and Training Administration web site will include the listing of the SESAs' Central Office processing addresses which will be updated periodically.

5. *Inquiries.* Address questions and inquiries to Charlene Giles at (202) 693-2950.

6. *Attachment.* Listing of State Employment Service Agencies with Central Offices processing H-2A applications.

DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection

requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension collection of the following information collections: (1) Regulations 29 CFR Part 4, Labor Standards for Federal Service Contracts; (2) Employer's First Report of Injury or Occupational Disease (LS-202), Physician's Report on Impairment of Vision (LS-205), Employer's Supplementary Report of Accident or Occupational Illness (LS-210); and (3) Notice of Law Enforcement Officer's Injury or Occupational Disease (CA-721) and Notice of Law Enforcement Officer's Death (CA-722).

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before June 18, 2001.

ADDRESSES: Ms. Patricia A. Forkel, U. S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0339 (this is not a toll-free number), fax (202) 693-1451.

SUPPLEMENTARY INFORMATION:

Regulations 29 CFR Part 4—Labor Standards for Federal Service Contracts

I. Background

The Service Contract Act (SCA) and Regulations 29 CFR Part 4 impose certain recordkeeping and incidental reporting requirements applicable to employers with employees performing on service contracts within the Federal government. The basic payroll recordkeeping requirements contained in this regulation (sections 4.6(g)(i) through (iv)) have been previously approved under OMB number 1215-0017, which constitutes the basic recordkeeping regulations for all laws administered by the Wage and Hour Division. This information collection request contains three requirements not cleared under the above information collection. They are: a vacation benefit seniority list, which is used by the contractor to determine vacation fringe benefit entitlements earned and accrued by service contract employees who were employed by predecessor contractors; a conformance record report, which is used by Wage and Hour to determine the appropriateness of the conformance and compliance with the SCA and its regulations; and a collective bargaining agreement, submitted by the contracting agency to Wage and Hour to be used in the issuance of wage determinations for successor contracts subject to section 2(a) and 4(c) of the SCA.
