

# Plants

| FAMILY            | SPECIES   | COMMON NAME                 |
|-------------------|---|-----------------------------|
| 1. Characeae      | <i>Chara</i> sp.  | Muskgrass                   |
| 2. Cupressaceae   | <i>Juniperus osteosperma</i> (Torr.) Little                 | Utah juniper                |
|                   | <i>Juniperus chinensis</i> , var. <i>Pfitzeriana</i>        | Pfitzer juniper             |
| 3. Ephedraceae    | <i>Ephedra nevadensis</i> S. Wats.                          | Morman tea                  |
| 4. Taxaceae       | <i>Taxus baccata</i>  | English yew                 |
| 5. Typhaceae      | <i>Typha domingensis</i> Pers.                              | Narrowleaf cattail          |
|                   | <i>Typha latifolia</i> L.                                   | Broadleaf cattail           |
| 6. Najadaceae     | <i>Najas marina</i> L.                                      | Spiny najad                 |
|                   | <i>Ruppia maritima</i> L.                                   | Wigeongrass                 |
| 7. Juncaginaceae  | <i>Triglochin maritima</i> L.                               | Seaside arrowgrass          |
| 8. Gramineae      | <i>Agropyron elongatum</i> Host                             | Tall wheatgrass             |
|                   | <i>Agrostis alba</i> L.                                     | Redtop                      |
|                   | <i>Blepharidachne kingii</i> (S. Wats.) Hack.               | Blepharidachne              |
|                   | <i>Bromus tectorum</i> L.                                   | Cheat grass                 |
|                   | <i>Distichlis stricta</i> (Torr.) Rydb.                     | Desert saltgrass            |
|                   | <i>Elymus triticoides</i> Buckl.                            | Beardless wildrye           |
|                   | <i>Hilaria jamesii</i> (Torr.) Benth.                       | Galleta                     |
|                   | <i>Hordeum jubatum</i> L.                                   | Foxtail barley              |
|                   | <i>Muhlenbergia asperifolia</i> (Nees & Mey.) Parodi        | Scratchgrass                |
|                   | <i>Orizopsis hymenoides</i> (Roem. & Schult.) Ricker        | Indian ricegrass            |
|                   | <i>Phragmites communis</i> Trin.                            | Common reed                 |
|                   | <i>Polygon monspeliensis</i> (L.) Desf.                     | Rabbitfoot grass            |
|                   | <i>Sitanion hystrix</i> (Nutt.) J. G. Smith                 | Squirreltail                |
|                   | <i>Spartina gracilis</i> Trin.                              | Alkali cordgrass            |
| 9. Cyperaceae     | <i>Sporobolus airoides</i> (Torr.) Torr.                    | Alkali sacaton              |
|                   | <i>Sporobolus cryptandrus</i> (Torr.) Gray                  | Sand dropseed               |
|                   | <i>Eleocharis rostellata</i> Torr.                          | Spike rush                  |
|                   | <i>Scirpus acutus</i> Muhl.                                 | Hardstem bulrush            |
|                   | <i>Scirpus americanus</i> Per.                              | Olney's threesquare bulrush |
| 10. Juncaceae     | <i>Scirpus nevadensis</i> S. Wats.                          | Nevada bulrush              |
|                   | <i>Scirpus pungens</i> Vahl                                 | Common threesquare          |
|                   | <i>Scirpus paludosus</i> A. Nels.                           | Alkali bulrush              |
|                   | <i>Juncus balticus</i> Willd., var. <i>montanus</i> Engelm. | Wire rush, Baltic rush      |
| 11. Liliaceae     | <i>Allium nevadense</i> S. Wats.                            | Wild onion                  |
|                   | <i>Smilacina stellata</i> (L.) Desf.                        | False Solomon's seal        |
| 12. Salicaceae    | <i>Populus alba</i> L.                                      | White poplar                |
|                   | <i>Populus fremontii</i> Wats.                              | Fremont cottonwood          |
|                   | <i>Salix lutea</i> Nutt.                                    | Yellow willow               |
| 13. Ulmaceae      | <i>Ulmus pumila</i> L.                                      | Siberian elm                |
| 14. Portulacaceae | <i>Portulaca oleracea</i>                                   | Purslane                    |

|                      |   |                        |
|----------------------|---|------------------------|
| 15. Polygonaceae     | <i>Erigonum ovalifolium</i> Nutt.   | Cushion buckwheat      |
|                      | * <i>Erigonum demersum</i>  |                        |
|                      | <i>Erigonum cernuum</i> Nutt.   | Nodding buckwheat      |
|                      | <i>Erigonum deflexum</i> Torr. in Ives var. <i>nevadense</i>                | Skeletonweed buckwheat |
| 16. Chenopodiaceae   | <i>Allenrolfea occidentalis</i> (S. Wats.) Kuntze                           | Pickleweed             |
|                      | <i>Atriplex confertifolia</i> (Torr. & Frem.) S. Wats.                      | Shadscale              |
|                      | <i>Atriplex patula</i> L., var. <i>hastata</i> A. Gray                      | Spearscale             |
|                      | <i>Bassia hyssopifolia</i> (Pall.) Kuntze                                   | Bassia                 |
|                      | <i>Chenopodium hybridum</i> L.  | Mapleleaf goosefoot    |
|                      | <i>Halogeton glomeratus</i> (Bieb.) Mey.                                    | Halogeton              |
|                      | <i>Kochia scoparia</i> (L.) Schrader  | Summer cypress         |
|                      | <i>Kochia vestita</i> (S. Wats.) Rydb.                                      | Green molly            |
|                      | <i>Nitrophila occidentalis</i> (Nutt.) S. Wats.                             | Nitrophila             |
|                      | <i>Salicornia Pacifica</i> Standl., var. <i>utahensis</i><br>(Tidest.) Munz | Samphire               |
|                      | <i>Salsola iberica</i> Sennen & Pau   | Russian thistle        |
|                      | <i>Sarcobatus vermiculatus</i> (Hook.) Torr.                                | Greasewood             |
|                      | <i>Suaeda intermedia</i> S. Wats.   | Seepweed               |
|                      | <i>Suaeda occidentalis</i> S. Wats.   | Seepweed               |
| 17. Ceratophyllaceae | <i>Ceratophyllum demersum</i> L.  | Coontail               |
| 18. Ranunculaceae    | <i>Delphinium andersonii</i> A. Gray  | Delphinium             |
|                      | <i>Ranunculus cymbalaria</i> Pursh., var.<br><i>saximontanus</i> Fern.      | Buttercup              |
|                      | <i>Ranunculus juniperinus</i> M. E. Jones                                   | Buttercup              |
| 19. Cruciferae       | <i>Coringia orientalis</i> (L.) Dum.  | Hare's ear             |
|                      | <i>Descurainia incisa</i> (Engelm.) Britt.                                  | Tansy-mustard          |
|                      | <i>Descurainia sophis</i> (L.) Webb   | Tansy-mustard          |
|                      | <i>Lepidium dictyotum</i> Gray  | Peppergrass            |
|                      | <i>Lepidium latifolium</i> L.   | Tall whitetop          |
|                      | <i>Lepidium perfoliatum</i> L.  | Clasping peppergrass   |
|                      | <i>Malcolmia africana</i> (L.) R. Br.                                       | Malcolmia              |
|                      | <i>Physaria chambersii</i> Rollins  | Double bladder-pod     |
| 20. Rosaceae         | <i>Rosa woodsii</i> Lindl.  | Woods rose             |
|                      | * <i>Rosa rugosa</i>  | Musk rose              |
|                      | <i>Purshia mexicana</i> (D. Don) Welsh                                      | Mexican cliffrose      |
| 21. Leguminosae      | <i>Astragalus utahensis</i> T. & G.   | Lady slipper           |
|                      | <i>Gleditsia tricanthos</i> (L.)  | Honey locust           |
|                      | <i>Melilotus albus</i> Desr. ex Lam.  | White sweet-clover     |
|                      | <i>Melilotus officinalis</i> (L.) Pallas                                    | Yellow sweet-clover    |
|                      | <i>Mendicago sativa</i> (L.)  | Alfalfa                |
| 22. Malvaceae        | <i>Sphaeralcea coccinea</i> (Pursh.) Rydb.                                  | Globe mallow           |
|                      | <i>Malva neglecta</i> Wallr.  | Mallow, cheeseweed     |
| 23. Tamaricaceae     | <i>Tamarix ramosissima</i> Ledeb.   | Salt cedar             |
|                      |   |                        |

|                      |   |                       |
|----------------------|---|-----------------------|
| 24. Cactaceae        | <i>Opuntia rhodantha</i> Schum.   | Prickly pear          |
| 25. Onagraceae       | <i>Oenothera caespitosa</i> Nutt., var. <i>marginata</i><br>(Nutt.) Munz. | Evening primrose      |
| 26. Umbelliferae     | <i>Aprium graveolens</i> L., var. <i>dulce</i> DC.                        | Celery                |
|                      | <i>Berula erecta</i> (Huds.) Cov.   | Water parsnip         |
|                      | <i>Cymopterus longipes</i> S. Wats.                                       | Cymopterus            |
|                      | <i>Lomatium grayi</i> C. & R.   | Desert parsley        |
| 27. Primulaceae      | <i>Glaux maritima</i> L.  | Saltwort              |
| 28. Gentianaceae     | <i>Centaurium exaltatum</i> (Griseb.) Wight ex Piper                      | Centaury              |
| 29. Apocynaceae      | <i>Apocynum sibiricum</i> Jacq.   | Dogbane               |
| 30. Asclepiadaceae   | <i>Asclepias incarnata</i> L.   | Swamp milkweed        |
|                      | <i>Asclepias speciosa</i> Torr.   | Milkweed              |
| 31. Convolvulaceae   | <i>Convolvulus arvensis</i> L.  | Bindweed              |
|                      | <i>Cressa truxillensis</i> H.B.K.   | Cressa                |
| 32. Polemoniaceae    | <i>Gilia inconspicua</i> (J.E. Sm.) Sweet                                 | Gilia                 |
|                      | <i>Phlox longifolia</i> Nutt.   | Longleaf phlox        |
| 33. Solanaceae       | <i>Lycium andersonii</i> Gray   | Anderson wolfberry    |
| 34. Orobanchaceae    | <i>Orobanche multiflora</i> Nutt.   | Broomrape             |
| 35. Scrophulariaceae | <i>Castilleja chromosa</i> A. Nels.                                       | Common paint brush    |
|                      | <i>Castilleja exilis</i> A. Nels.   | Annual paint brush    |
|                      | <i>Cordylanthus maritimus</i> Nutt. ex Benth.                             | Cordylanthus          |
|                      | <i>Penstemon dolius</i> Jones ex. Pennell                                 | Jones penstemon       |
| 36. Lentibulariaceae | <i>Utricularia vulgaris</i> L.  | Common bladderwort    |
| 37. Compositae       | * <i>Aplopappus racemosus</i> (Nutt.) Torr.                               | Aplopappus            |
|                      | <i>Aster pauciflorus</i> Nutt.  | Alkali aster          |
|                      | <i>Centaurea virgata</i> Lam., var. <i>squarrosa</i>                      | Squarrose knapweed    |
|                      | <i>Chaenactis douglasii</i> H. & A.                                       | Douglas dustymaiden   |
|                      | <i>Chrysothamnus nauseosus</i> (Pall.) Britt.                             | Rubber rabbitbrush    |
|                      | <i>Chrysothamnus albidus</i> (Jones) Greene                               | Alkali rabbitbrush    |
|                      | <i>Cirsium arvense</i> (L.) Scop.   | Canada thistle        |
|                      | * <i>Cirsium drummondii</i> T. & G.                                       | Thistle               |
|                      | <i>Crepis runcinata</i> (James) T. & G.                                   | Meadow hawksbeard     |
|                      | <i>Enceliopsis nudicaulis</i> (Gray) A. Nels.                             | Nakedstem             |
|                      | <i>Erigeron pumilus</i> Nutt.   | Vernal daisy          |
|                      | <i>Grindellia squarrosa</i> (Pursh) Dunal                                 | Curly gumweed         |
|                      | <i>Haplopappus nanus</i> (Nutt.) D.C. Eaton                               | Low goldenbush        |
|                      | <i>Helianthus annuus</i> L.   | Common sunflower      |
|                      | <i>Helianthus nuttalli</i> T. & G.  | Nuttall sunflower     |
