NOTICE OF PROPOSED RULEMAKING

Adopted: October 16, 2002

Released: October 25, 2002

Comment Date: December 16, 2002

Reply Comment Date: December 31, 2002

By the Assistant Chief, Audio Division:

1. The Audio Division has before it for consideration a multiple docket *Notice of Proposed Rule Making* setting forth two separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. The petitioner for each proposal has stated that it will apply for each requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Information Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

A. MB Docket No. 02-330; RM-10588

Petitioner: JEM Broadcasting Company, Inc.

Additional Information: The allotment is at city reference coordinates and requires no site restriction.

In compliance with § 1.52 of the Commission’s rules, petitioner is requested to include with its comments verification that the statements contained in the petition are accurate to the best of its knowledge.²

B. MB Docket No. 02-331; RM-10589

Petitioner: Larry Jackson
 7107 Bur Oak Ct. Apt. 1
 Louisville, KY 40291

Proposal: Allot Channel 288C2 at Milford, Utah, as that community's first local aural transmission service.³

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Milford, Utah	-----	288C2

Coordinates: 38-23-49 NL and 113-00-36 WL

Additional Information: This allotment is at city reference coordinates and requires no site restriction.

¹ Jasper is an incorporated community with a 2000 U.S. Census population of 498 persons. Jasper is the county seat of Newton County, Arkansas and serves as the center of local government.

² Although the petitioner’s request was signed, it failed to include an affidavit verifying that the statements contained in the petition were accurate to the best of its knowledge. Section 1.52 of the Commission’s Rules require that the original of any document filed with the Commission by a party not represented by counsel be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission’s Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. *See also Amendment of Sections 1.420 and 73.3584 of the Commission’s Rules Concerning Abuses of the Commission’s Processes*, 5 FCC Rcd 3911, 3919, n.41 (1990). The petitioner is requested to rectify this omission in its comments.

³ Milford is an incorporated community with a 2000 U.S. Census population of 1,451 persons. Milford is in Beaver County east of the Wah Wah Mountains. Milford has an airport, hospital, school system, and public library. Milford also has a city council with an elected mayor.

In compliance with § 1.52 of the Commission's rules, petitioner is requested to include with his comments verification that the statements contained in the petition are accurate to the best of his knowledge.⁴

FCC Contact: Rolanda F. Smith (202) 418-2180.

3. Comments, reply comments, counterproposals and other pleadings filed in response to this multiple docket *Notice of Proposed Rule Making* should reference *only* the specific docket to which the filing pertains. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. 6. For further information concerning a proceeding listed above, contact the FCC contact listed for that proceeding. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.
