

California – Denmark Conference
“Rational Design of Catalytic Materials”

14-15 January 2008

Lawrence Berkeley National Laboratory

Catalysis without Metals: Asymmetric Organocatalysis

Karl Anker Jørgensen, Danish National Research Foundation: Center for Catalysis, Department of Chemistry, Aarhus University, 8000 Aarhus C, Denmark; kaj@chem.au.dk

Key words: Organocatalyssi

The lecture will give a presentation of organocatalysis focusing on both academic and industrial perspectives for the formation of simple and complex chiral molecules.
