This document has been adopted as policy by all USDAFS and USDO I using agencies.

Bureau of Land
Management
OFFICE OF FIRE AND
AVIATION

National SEAT Web Site

<http://www.aviation.blm.gov/airops.htm>

The Bureau of Land Management, Office of Fire and Aviation have developed a national web site to provide general information about the Single Engine Airtanker (SEAT) Program. The web site contains the following information:

- **Interagency SEAT Operations Guide (ISOG)**
- **Interagency SEAT Operational Procedures Handbook**
- **National Call-When-Needed (CWN) Contract**
- **AMD SEAT Source List**
- **SEAT Training Calendar**
- **2007 Downloadable Forms for SEAT Management**
- **Reference Material Information**
- **And More.....**
