

Hospitals and Physicians, Continental Portugal

The following is a list of hospitals, physicians, laboratories, and x-ray facilities which are available in the Lisbon area.

Although these doctors have been chosen with care and enjoy good reputations, the Embassy cannot be responsible for their ability or integrity, nor can the Embassy accept any financial responsibility. The patient must discuss the fees in advance, as well as the method of payment.

Please note that addresses and phone numbers are subject to change. Therefore, readers should consider this list as an information guide, and when in doubt, should consult the appropriate telephone directory.

The asterisks next to each physician's name indicate our understanding of their English speaking ability.

**** Good Command of English**
