Fresenius shall not offer any incentive to the Contract Physician, the Contract Physician's practice group, or other members of the Contract Physician's practice group to decline to provide services to the Clinic To Be Divested, and shall eliminate any confidentiality restrictions that would prevent the Contract Physician, the Contract Physician's practice group, or other members of the Contract Physician's practice group from using or transferring to the Acquirer of the Clinic To Be Divested any information Relating To the Operation Of The Clinic; and
 - b. For a period of three (3) years following the Time Of Divestiture of each Clinic To Be Divested, Fresenius shall not contract for the services of the Contract Physician,

15. Fresenius shall convey to each Acquirer of a Clinic To Be Divested the right to use any Licensed Intangible Property (to the extent permitted by the third-party licensor), if such right is needed for the Operation Of The Clinic by the Acquirer and if the Acquirer is unable, using commercially reasonable efforts, to obtain equivalent rights from other third parties on commercially reasonable terms and conditions.
16. Fresenius shall do nothing to prevent or discourage Suppliers that, prior to the Time Of Divestiture of any Clinic To Be Divested, supplied goods and services for use in any Clinic To Be Divested from continuing to supply goods and services for use in such Clinic.

 - b. If any Acquirer of a Clinic To Be Divested requests in writing to Fresenius, within six (6) months of the Time Of Divestiture of that Clinic to that Acquirer, that Fresenius license a copy of Fresenius's Medical Protocols to that Acquirer, Fresenius shall within five (5) business days of such request, grant to that Acquirer a royalty-free, perpetual, worldwide license for the use, without any limitation, of Fresenius's Medical Protocols (including the right to transfer or sublicense such protocols, exclusively or nonexclusively, to others by any means); and

18. Fresenius shall grant a royalty-free perpetual worldwide license for the use, without any limitation, of all Intangible Property (other than Software, Licensed Intangible Property, and Unrelated Intangible Property) not relating exclusively to the Operation Of The

- D. The purpose of Paragraph II of this Order is to ensure the continuation of the Clinics To Be Divested as, or as part of, ongoing viable enterprises engaged in the same business in which such assets were engaged at the time of the announcement of the acquisition by Fresenius of RCG, to ensure that the Clinics To Be Divested are operated independently of, and in competition with, Fresenius, and to remedy the lessening of competition alleged in the Commission's Complaint.

III.

IT IS FURTHER ORDERED that, for a period of five (5) years from the date this Order is issued, Fresenius shall not, without providing advance written notification to the Commission in the manner described in this paragraph, directly or indirectly:

- A. acquire any assets of or financial interest in any Clinic located in any of the areas listed in Appendix B of this Order; or
- B. enter into any contract to participate in the management or Operation Of A Clinic located in any of the areas listed in Appendix B of this Order, except to the extent that the contract relates exclusively to:
 - 1. off-site lab services or social worker support materials; or
 - 2. billing services, collection services, bookkeeping services, accounting services, supply purchasing and logistics services, or the preparation of financial reports and accounts receivable reports (collectively “Such Services”), where appropriate firewalls and confidentiality agreements are implemented to prevent Material Confidential Information of the Clinic from being disclosed to anyone participating in any way in the operation or management of any Clinic owned by Fresenius or any Clinic other than the Clinic to which Such Services are being provided.

Said advance written notification shall contain (i) either a detailed term sheet for the proposed acquisition or the proposed agreement with all attachments, and (ii) documents that would be responsive to Item 4(c) of the Premerger Notification and Report Form under the Hart-Scott-Rodino Premerger Notification Act, Section 7A of the Clayton Act, 15 U.S.C. § 18a, and Rules, 16 C.F.R. § 801-803, relating to the proposed transaction (hereinafter referred to as “the Notification), *PROVIDED, HOWEVER*, (i) no filing fee will be required for the Notification, (ii) an original and one copy of the Notification shall be filed only with the Secretary of the Commission and need not be submitted to the United States Department of Justice, and (iii) the Notification is required from Fresenius and not from any other party to the transaction. Fresenius shall provide the Notification to the Commission at least thirty (30) days prior to consummating the transaction (hereinafter referred to as the “first waiting period”). If, within the first waiting period, representatives of the Commission make a written request for additional information or documentary material (within the meaning of 16 C.F.R. § 803.20), Fresenius shall not consummate the transaction until thirty (30) days after submitting such additional information or documentary material. Early termination of the waiting periods in this paragraph may be requested and, where appropriate, granted by letter from the Bureau of Competition.

PROVIDED, HOWEVER, that prior notification shall not be required by this paragraph for a transaction for which Notification is required to be made, and has been made, pursuant to Section 7A of the Clayton Act, 15 U.S.C. § 18a.

IV.

IT IS FURTHER ORDERED that:

- A. Richard Shermer, of R. Shermer & Co., shall be appointed Monitor to assure that Fresenius expeditiously complies with all of its obligations and performs all of its responsibilities as required by this Order.
- B. No later than one (1) day after this Order is made final, Fresenius shall, pursuant to the Monitor Agreement and to this Order, transfer to the Monitor all the rights, powers, and authorities necessary to permit the Monitor to perform his duties and responsibilities in a manner consistent with the purposes of this Order.
- C. In the event a substitute Monitor is required, the Commission shall select the Monitor, subject to the consent of Fresenius, which consent shall not be unreasonably withheld. If Fresenius has not opposed, in writing, including the reasons for opposing, the selection of a proposed Monitor within ten (10) days after notice by the staff of the Commission to Fresenius of the identity of any proposed Monitor, Fresenius shall be deemed to have consented to the selection of the proposed Monitor. Not later than ten (10) days after appointment of a substitute Monitor, Fresenius shall execute an agreement that, subject to the prior approval of the Commission, confers on the Monitor all the rights and powers necessary to permit the Monitor to monitor Fresenius's compliance with the terms of this Order, the Order to Maintain Assets, and the Divestiture Agreements in a manner consistent with the purposes of this Order.
- D. Fresenius shall consent to the following terms and conditions regarding the powers, duties, authorities, and responsibilities of the Monitor:
 - 1. The Monitor shall have the power and authority to monitor Fresenius's compliance with the terms of this Order, the Order to Maintain Assets, and the Divestiture Agreements, and shall exercise such power and authority and carry out the duties and responsibilities of the Monitor in a manner consistent with the purposes of this Order and in consultation with the Commission, including, but not limited to:

- a. Assuring that Fresenius expeditiously complies with all of its obligations and performs all of its responsibilities as required by this Order, the Order to Maintain Assets, and the Divestiture Agreements;
 - b. Monitoring any transition services agreements;
 - c. Assuring that Material Confidential Information is not received or used by Fresenius or the Acquirers, except as allowed in this Order and in the Order to Maintain Assets, in this matter.
2. The Monitor shall act in a fiduciary capacity for the benefit of the Commission.
3. The Monitor shall serve for such time as is necessary to monitor Fresenius's compliance with the provisions of this Order, the Order to Maintain Assets, and the Divestiture Agreements.
4. Subject to any demonstrated legally recognized privilege, the Monitor shall have full and complete access to Fresenius's personnel, books, documents, records kept in the Ordinary Course Of Business, facilities and technical information, and such other relevant information as the Monitors may reasonably request, related to Fresenius's compliance with its obligations under this Order, the Order to Maintain Assets, and the Divestiture Agreements. Fresenius shall cooperate with any reasonable request of the Monitors and shall take no action to interfere with or impede the Monitor's ability to monitor Fresenius's compliance with this Order, the Order to Maintain Assets, and the Divestiture Agreements.
5. The Monitor shall serve, without bond or other security, at the expense of Fresenius on such reasonable and customary terms and conditions as the Commission may set. The Monitor shall have authority to employ, at the expense of Fresenius, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Monitors' duties and responsibilities. The Monitor shall account for all expenses incurred, including fees for services rendered, subject to the approval of the Commission.
6. Fresenius shall indemnify the Monitor and hold the Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses,

claims, damages, liabilities, or expenses result from misfeasance, gross negligence, willful or wanton acts, or bad faith by the Monitor.

7. Fresenius shall report to the Monitor in accordance with the requirements of this Order and/or as otherwise provided in any agreement approved by the Commission. The Monitor shall evaluate the reports submitted to the Monitor by Fresenius, and any reports submitted by the Acquirer with respect to the performance of Fresenius's obligations under this Order, the Order to Maintain Assets, and the Divestiture Agreements.
 8. Within one (1) month from the date the Monitor is appointed pursuant to this paragraph, every sixty (60) days thereafter, and otherwise as requested by the Commission, the Monitor shall report in writing to the Commission concerning performance by Fresenius of its obligations under this Order, the Order to Maintain Assets, and the Divestiture Agreements.
 9. Fresenius may require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *PROVIDED, HOWEVER*, such agreement shall not restrict the Monitor from providing any information to the Commission.
- E. The Commission may, among other things, require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to sign an appropriate confidentiality agreement Relating To Commission materials and information received in connection with the performance of the Monitor's duties.
 - F. If the Commission determines that the Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Monitor in the same manner as provided in this Paragraph IV.
 - G. The Commission may on its own initiative, or at the request of the Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of this Order, the Order to Maintain Assets, and the Divestiture Agreements.
 - H. A Monitor appointed pursuant to this Order may be the same Person appointed as a trustee pursuant to Paragraph V of this Order and may be the same Person or Persons appointed as Monitor under the Order to Maintain Assets.

V.

IT IS FURTHER ORDERED that:

- A. If Fresenius has not divested, absolutely and in good faith and with the Commission's prior approval, all of the Assets To Be Divested pursuant to Paragraph II of this Order, the Commission may appoint a trustee to divest any of the Assets To Be Divested that have not been divested pursuant to Paragraph II of this Order in a manner that satisfies the requirements of Paragraph II of this Order. In the event that the Commission or the Attorney General brings an action pursuant to Section 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Fresenius shall consent to the appointment of a trustee in such action to divest the relevant assets in accordance with the terms of this Order. Neither the appointment of a trustee nor a decision not to appoint a trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Fresenius to comply with this Order.
- B. The Commission shall select the trustee, subject to the consent of Fresenius, which consent shall not be unreasonably withheld. The trustee shall be a Person with experience and expertise in acquisitions and divestitures. If Fresenius has not opposed, in writing, including the reasons for opposing, the selection of any proposed trustee within ten (10) days after receipt of notice by the staff of the Commission to Fresenius of the identity of any proposed trustee, Fresenius shall be deemed to have consented to the selection of the proposed trustee.
- C. Within ten (10) days after appointment of a trustee, Fresenius shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the trustee all rights and powers necessary to permit the trustee to effect the divestitures required by this Order.
- D. If a trustee is appointed by the Commission or a court pursuant to this Order, Fresenius shall consent to the following terms and conditions regarding the trustee's powers, duties, authority, and responsibilities:
1. Subject to the prior approval of the Commission, the trustee shall have the exclusive power and authority to divest any of the Assets To Be Divested that have not been divested pursuant to Paragraph II of this Order.
 2. The trustee shall have twelve (12) months from the date the Commission approves the trust agreement described herein to accomplish the divestiture, which shall be subject to

the prior approval of the Commission. If, however, at the end of the twelve (12) month period, the trustee has submitted a divestiture plan or believes that the divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission; *PROVIDED, HOWEVER*, the Commission may extend the divestiture period only two (2) times.

3. Subject to any demonstrated legally recognized privilege, the trustee shall have full and complete access to the personnel, books, records, and facilities related to the relevant assets that are required to be divested by this Order, and to any other relevant information, as the trustee may request. Fresenius shall develop such financial or other information as the trustee may request and shall cooperate with the trustee. Fresenius shall take no action to interfere with or impede the trustee's accomplishment of the divestiture. Any delays in divestiture caused by Fresenius shall extend the time for divestiture under this Paragraph V in an amount equal to the delay, as determined by the Commission or, for a court-appointed trustee, by the court.
4. The trustee shall use commercially reasonable best efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Fresenius's absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture shall be made in the manner and to an Acquirer or Acquirers as required by this Order; *PROVIDED, HOWEVER*, if the trustee receives bona fide offers for particular assets from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity for such assets, the trustee shall divest the assets to the acquiring entity selected by Fresenius from among those approved by the Commission; *PROVIDED, FURTHER, HOWEVER*, that Fresenius shall select such entity within five (5) days of receiving notification of the Commission's approval.
5. The trustee shall serve, without bond or other security, at the cost and expense of Fresenius, on such reasonable and customary terms and conditions as the Commission or a court may set. The trustee shall have the authority to employ, at the cost and expense of Fresenius, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the trustee's duties and responsibilities. The trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission and, in the case of a court-appointed trustee, by the court, of the account of the trustee, including fees for the trustee's services, all remaining monies shall be paid at the direction of Fresenius, and the trustee's power shall be terminated. The compensation of the trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order.

6. Fresenius shall indemnify the trustee and hold the trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from misfeasance, gross negligence, willful or wanton acts, or bad faith by the trustee.
 7. The trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order.
 8. The trustee shall report in writing to Fresenius and to the Commission every sixty (60) days concerning the trustee's efforts to accomplish the divestiture.
 9. Fresenius may require the trustee and each of the trustee's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *PROVIDED, HOWEVER*, such agreement shall not restrict the trustee from providing any information to the Commission.
- E. If the Commission determines that a trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute trustee in the same manner as provided in this Paragraph V.
- F. The Commission or, in the case of a court-appointed trustee, the court, may on its own initiative or at the request of the trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.
- G. The trustee appointed pursuant to this Paragraph may be the same Person appointed as the Monitor pursuant to the relevant provisions of this Order or the Order to Maintain Assets.

VI.

IT IS FURTHER ORDERED that:

- A. Beginning thirty (30) days after the date this Order becomes final, and every thirty (30) days thereafter until Fresenius has fully complied with Paragraphs II.A., II.B.3, II.B.5.a, II.B.6, II.B.9, II.B.13, and II.B.17 of this Order, Fresenius shall submit to the Commission a verified written report setting forth in detail the manner and form in which it intends to comply, is complying, and has complied with the terms of this Order, the Order to Maintain Assets, and the Divestiture Agreements. Fresenius shall submit at the same time a copy of these reports to the Monitor, if any Monitor has been appointed.

- B. Beginning twelve (12) months after the date this Order becomes final, and annually thereafter on the anniversary of the date this Order becomes final, for the next four (4) years, Fresenius shall submit to the Commission verified written reports setting forth in detail the manner and form in which it is complying and has complied with this Order, the Order to Maintain Assets, and the Divestiture Agreements. Fresenius shall submit at the same time a copy of these reports to the Monitor, if any Monitor has been appointed.

- C. Any other change in Fresenius that may affect compliance obligations arising out of this Order, including but, not limited to, assignment, the creation or dissolution of subsidiaries, or any other change in Fresenius.

VIII.

IT IS FURTHER ORDERED that, for the purpose of determining or securing compliance with this Order, and subject to any legally recognized privilege, and upon written request with reasonable notice to Fresenius, Fresenius shall permit any duly authorized representative of the Commission:

- A. Access, during office hours of Fresenius and in the presence of counsel, to all facilities and access to inspect and copy all books, ledgers, accounts, correspondence, memoranda, and all other records and documents in the possession or under the control of Fresenius related to compliance with this Order; and
- B. Upon five (5) days' notice to Fresenius and without restraint or interference from Fresenius, to interview officers, directors, or employees of Fresenius, who may have counsel present, regarding such matters.
