

application for experimental use permit to ship and use a pesticide for experimental purposes

HOW WORRIED IS YOUR AGENCY THAT ALL THE BEES ARE DYING?  
THAT THE BUTTERFLIES ARE VIRTUALLY DEAD?

WHY ISNT THERE ATTENTION PAID TO THIS?

THIS FORM THAT YOU SENT ME THAT THE PROFITEERS HAVE TO FILL OUT IS FAR TOO SCANTY IN INFORMATION AND DOES NOT ASK ENOUGH QUESTIONS . IT IS MUCH TOO EASY FOR TH EPROFITEERS TO HARM AMERICANS.

I DONT LIKE CONSULTS ONLY WITH PROFITEERS AND BELIEVE SUCH CONSULTS SHOULD BE OPEN TO THE PUBLIC AS WELL SIMULTANEOUSL.YU. AT NO TIME HAVE YOU CONSULTED WITH THE GENERAL PUBLIC ON THIS DANGEROUS TESTING. NEIGHBORS ESPECIALLY NEED TO KNOW AND YOU HAVE INSTITUTED NO CHANGE IN REGULATIONS TO SEE THAT NEIGHBORS ALWAYS KNOW WHEN DANGEROUS OR ANY PERMITS OF THIS TYPE ARE ISSUED. THIS AGENCY IS GOVERNMENT BY THE PROFITERS FOR THE PROFITEERS.

WHERE DO YOU ASK FOR ANY SO FAR SHOWN HARMFUL EFFECTS OF THE PESTICIDE THAT A PERMIT IS BEING ASKED FOR?

THIS IS MUCH TOO EASY FOR PROFITERS TO INFLICT DANGEROUS PRODUCTS ON AMERICANS. THE QUESTIONS ASKED NEED TO BE MORE THAN ONE SIDE OF AN 8-1/2 X 11 PIECE OF PAPER FOR THESE KINDS OF PRODUCTS.

IN ADDITION NO COLLEGE SHOULD GET AWAY WITH NOT HAVING TO MEET REGULATIONS. IT IS CLEAR THAT COLLEGES LIKE RUTGERS ARE GETTING BUSINESS FOR DIVISIONS TO SIMPLY ACT AS PIMPS FOR CHEMICAL PROFITEERS. THIS NEEDS TO STOP. THE PROFITEER HIMSELF SHOULD BE INVOLVED IN THE APPLICATION - NO MIDDLEMEN PIMPS FROM SOME COLLEGE SOMEWHERE THAT WILL ACT AS MIDDLEMEN AND THEN WHEN SOMETHING GOES DESPERATELY WRONG WILL SAY THEY DIDNT KNOW. I THINK THIS KIND OF HIDING BEHIND A COLLEGE OR AGENCY IS ABSOLUTELY WRONG. THE PROFITEER MUST STAND BEHIND HIS APPLICATION ALONE.
