

written verification that the borrower is in an approved national service position, then forwards the form to the loan holder at the address provided by the AmeriCorps member. The loan holder will act upon the request.

This form has been adopted by many of the larger loan holders (e.g., Sallie Mae) and is given to their borrowers with the loan holders' own logos at the top of the form. Indeed, the form was originally developed with the assistance of Sallie Mae and representatives of several student loan associations.

Having a separate form for forbearance based on AmeriCorps service clearly distinguishes it from forbearance requests based on one of the other conditions for which a borrower may be eligible (e.g., military service, employment in certain low income areas, student status).

Several other loan holders have chosen to modify their own existing forbearance request forms by including an additional option—"AmeriCorps service" or "national service"—to the choices already available. The Corporation verifies national service participation using all types of forms presented to it, on a loan holder's unique form as well as the OMB approved form.

The form needs some minor revisions to clarify certain sections and to facilitate processing of the information. First, to delete an extra box for the SSN; then, to reduce the amount of text in bold type, add a statement of purpose to the member's section, identify the service dates as mandatory, limit the form to a single loan holder each, and add the National Service Trust's toll-free number.

The Corporation seeks to continue using this particular form, albeit in a revised version. This is a voluntary form. It is one way to provide verification to a loan holder that one of its borrowers is eligible for the mandatory forbearance, at the same time allowing the borrower to request the forbearance from the loan company. The Corporation will continue its policy of verifying AmeriCorps participation on any form the loan holder wishes to use. The current form is due to expire March 31, 2002.

B. Interest Accrual—Renewal (OMB #3045-0053)

The Corporation pays all or a portion of the interest that accrues during a period of national service for those who successfully complete their service and have had their loans in forbearance during the service. Using the current form, AmeriCorps members complete the top section and indicate their dates of service. Then they mail the form to the loan holder who indicates the total amount of interest that accrued during the service period, or indicates a daily accrual rate. The loan holder also adds the address where the payment should be sent and returns the form to the National Service Trust. When the Corporation receives this information, it is reviewed for accuracy and is either paid or returned to the loan holder or lender for additional information.

The revisions address the most common causes for delays in processing interest payments. The changes modify the title for consistency, reduce the number of days prior to completion of service for submitting the form, delete an extra box for the SSN, more clearly identify the member's address information, identify the service dates as essential, request loan type information and if more than one loan is cited loan numbers, more clearly identify the space for grace period information, request the lender's address be complete and legible, add to the lender's certification a statement that the loans cited are in forbearance, and add a space for the lender's fax number. The current form is due to expire March 31, 2002.
