ATTENTION

EPA CLEANUP ON WEST SIDE OF KENWOOD AVENUE

WHAT?

- ▶ Higher than usual levels of DDT in some soil on west side of Kenwood
- ▶ EPA to remove soils from front yards on west side of street
- ▶ Replace soil with clean soil and restore landscaping and driveways

WHEN?

- ▶ Starting July 16, Monday - Friday, from 7:30 a.m.- 4:30 p.m.
- ▶ Excavation and backfilling takes 2- 3 weeks at each house
- ▶ More time will be needed for driveways, sidewalks and landscaping

WHERE?

- ▶ Soil removal on Kenwood will start both at Milton Street and Torrance Blvd. and will move north towards 204th St.

TRAFFIC?

- ▶ Expect trucks and other construction vehicles along Kenwood, Milton, Normandie and 204th St.
- ▶ One lane will be closed along Kenwood Avenue near cleanup areas
- ▶ Parking on the west side of Kenwood will be prohibited near construction areas - Parking on east side should still be ok most times
- ▶ Pedestrian traffic only on the east side of the street around construction areas

NOISE LEVEL?

- ▶ Will be higher during work hours, during excavation and backfilling
- ▶ **HOW LOUD?** Similar to that of a trash truck operating across the street
