Board of Governors of Federal Reserve System
20th Street and Constitution Avenue, NW
Washington, DC 20551

Dear Federal Reserve Board Director,

The banks have been robbing people with overdraft charges for years and getting by with it, it seems the government will allow big corporations to do anything they want in this country and do nothing to stop it. Its bad enough the oil companys are robbing us now the banks. When is the government going to take a stand and protect Americans from all of this corruption.

Sincerely,
