DESCRIBE
ROOM

Windows height & width

| Plan | Describe | OK | Estimate | Compare |

Use the yellow arrows to adjust both width and height of
the windows, then click "OK"

EXIT HELP

Glazing materials
Lightduct
Lightshelf
Lintel

The best way to light a house is God's way, the natural way, as nearly as
possible in the daytime and at night, as nearly like the day as may be, or better
Frank Lloyd Wright
