

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 3, 2007	XXX Nuclear Physics Symposium	Cocoyoc, Mexico	Daniel Shapira	17479	Physics	Oral Presentation/Sub and near barrier fusion of Neutron Rich Nuclei	Office of Science		Approved
January 6, 2007	209th Meeting of the American Astronomical Society (AAS)	Seattle, WA	Michael Smith	35114	Physics	Poster Presentation/Nuclear Astrophysics Software	Office of Science		Approved
January 6, 2007	209th Meeting of the American Astronomical Society (AAS)	Seattle, WA	Jeff Blackmon	36422	Physics	Poster Presentation/Nuclear Astrophysics Measurements	Office of Science		Approved
January 6, 2007	209th Meeting of the American Astronomical Society (AAS)	Seattle, WA	D. W. Bardayan	38110	Physics	Poster Presentation/Nuclear Astrophysics Measurements	Office of Science		Approved
January 7, 2007	10th Joint MMM/Internag Conference	Baltimore, MD	Chenggang Zhou	916594	CNMS	1, 5 (interacting with CNMS user Oleg Myrsov) 9	Office of Science		Request sent to DOE/ORO
January 7, 2007	10th Joint MMM/Internag Conference	Baltimore, MD	Jian Shen	37602	Materials Science and Technology	(3) chair a session - Ultrathin Films and Surface Effects I	Office of Science		Request sent to DOE/ORO
January 7, 2007	10th Joint MMM/Internag Conference	Baltimore, MD	Krishnamurthy Venuogopala Vernuru	902400	Neutron Scattering Sciences	1. Oral Presentation "Size Distributions of FePtAu Nanoparticles from Small Angle Neutron Scattering"	Office of Science		Request sent to DOE/ORO
January 7, 2007	10th Joint MMM/Internag Conference	Baltimore, MD	Andrew Christianson	903867	Neutron Scattering Sciences	1. Oral Presentation "Crystal field excitations in the singlet ground state compound Pr ₃ In"	Office of Science		Request sent to DOE/ORO
January 7, 2007	10th Joint MMM/Internag Conference	Baltimore, MD	Matthew B. Stone	913581	Neutron Scattering Sciences	1. Oral Presentation (Invited) "Quantum spin liquid in a two-dimensional antiferromagnet"	Office of Science		Request sent to DOE/ORO
January 7, 2007	5th International Workshop on Oxide Surfaces (IWOX V)	Lake Tahoe, CA	Mullins, David	28352	Chemical Sciences	Present paper on oxide surface structure and morphology and their relationship with catalytic and photocatalytic reactivity. Also to meet with colleagues to learn more about their current work in my primary area of research.	Office of Science		Approved
January 7, 2007	Gordon Conference on Hydrocarbon Resources	Ventura, CA	Buchanan, A.C.	20410	Chemical Sciences	Poster Presentation on organic radical reactions in mesoporous metal oxides	Office of Science		Approved

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 7, 2007	Gordon Conference on Hydrocarbon Resources	Ventura, CA	Britt, Phillip	28071	Chemical Sciences	Vice-Chair of Conference and will present an oral presentation	Office of Science		Approved
January 7, 2007	Gordon Conference on Hydrocarbon Resources	Ventura, CA	Kidder, Michelle	627553	Chemical Sciences	Poster Presentation, Topic: The effects of pore confinement on pyrolysis of lignin model compounds	Office of Science		Approved
January 7, 2007	Gordon Conference on Polymers (West)	Ventura, CA	S. Michael Kilbey II	913136	CNMS	Oral presentation - Title of talk: "Responsive Polymer Brushes by Surface Initiated Polymerization"	Office of Science		Approved
January 8, 2007	2007 Chemical and Biological Information Systems (CBIS) Conference & Exhibition	Austin, Texas	Frank Denop	911177	Computational Sciences & Engineering	5 SensorNet Coordination with DoD participants	Other		Not yet submitted to DOE/ORO
January 8, 2007	2007 Chemical Biological Information Systems Conference & Exhibition	Austin, TX	Richard Stouder	900276	National Security Directorate	Business Development	GA/PD		Approved
January 8, 2007	Pap-Talk 2007	Coronado, CA	McDonald, Hayes	905681	Chemical Sciences	Poster Presentation: Mapping Protein-Protein Interactions - Beyond Model Systems	Office of Science		Approved
January 9, 2007	2007 Radio & Wireless Symposium	Long Beach, CA	James Nutaro	919012	Computational Sciences & Engineering	1 Subject is radio propagation modeling	LDRD		Not yet submitted to DOE/ORO
January 10, 2007	International Conference on Integration and Commercialization of Micro and Nanosystems	Sanya, China	Zhiyu Hu	742058	Biosciences	Business Development with Navy Contacts and giving an oral presentation	Conference Organizer		Not yet submitted to DOE/ORO
January 11, 2007	International Focus Workshop on Mobile Fermions and Bosons on Frustrated Lattices	Dresden, Saxony, Germany	Roger Melko	922882	Materials Science and Technology	(1) oral presentation - Supersolid Phase on Frustrated Lattices	Jointly supported by the MPI and the ESF program Highly Frustrated Magnetism		Approved
January 12, 2007	Plant and Animal Genome XV Conference	San Diego, CA	Betty Mansfield	19357	Biosciences	Exhibiting on behalf of U.S. Dept. of Energy Office of Science Genomics:GTL program. Not a registered meeting attendee.	Office of Science		Not yet submitted to DOE/ORO

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 12, 2007	Plant and Animal Genome XV Conference	San Diego, CA	Marissa Mills	742119	Biosciences	Exhibiting on behalf of U.S. Dept. of Energy Office of Science Genomics:GTL program. Not a registered meeting attendee.	Office of Science		Not yet submitted to DOE/ORO
January 13, 2007	Plant and Animal Genome XV Conference	San Diego, CA	Jerry Tuskan	30576	Environmental Sciences	To present and to coordinate session	Office of Science and WFO		Not yet submitted to DOE/ORO
January 13, 2007	Plant and Animal Genome XV Conference	San Diego, CA	Udaya KalLuri	908754	Environmental Sciences	Speaker (has submitted through conf. Registration system) Invited talk: Complex Oxide Interface Characterization in the Aberration Corrected STEM	Office of Science		Not yet submitted to DOE/ORO
January 14, 2007	34th Conference on the Physics and Chemistry of Semiconductor Interfaces	Salt Lake City, Utah	Maria Varela del Arco	747356	Materials Science and Technology		Office of Science		Approved
January 16, 2007	Center for Integrated Nanotechnologies Fifth User Workshop	Albuquerque, NM	Tony Haynes	28388	CNMS	10. Other: benchmarking other NSRCS processes, user communities	Office of Science		Not yet submitted to DOE/ORO
January 17, 2007	ASHRAE '07 Winter Meeting	Dallas, TX	Patrick Hughes	29660	Engineering Science & Technology	(5) RAC Committee Member	Org Burden		Not yet submitted to DOE/ORO
January 17, 2007	ASHRAE '07 Winter Meeting	Dallas, TX	Michaela Martin	35062	Engineering Science & Technology	(3) Vice-Chair of Technical Committee 7.8, which holds two meetings during the conference	Org Burden		Not yet submitted to DOE/ORO
January 18, 2007	Science & Society Closing the Gap Conference	Boston, MA	Denice Casey	35893	Biosciences	Attending a meeting - directly relevant to her job as an effective science communicator.	Office of Science		Approved
January 19, 2007	18th Sanibel Conference on Mass Spectrometry	Sanibel, FL	Todd, Peter	23081	Chemical Sciences	Present a talk entitled, "Quantitative Imaging using Ion Trap MS," in the MSI: Novel MS Imaging Instrumentation Developments and Data Processing Session	Office of Science		Approved
January 19, 2007	18th Sanibel Conference on Mass Spectrometry	Sanibel, FL	Van Berkel, Gary	30228	Chemical Sciences	Present a talk entitled, "Atmospheric Pressure Sampling and Ionization Techniques for Surface Analysis and Imaging" in the MSI: Novel MS Imaging Instrumentation Developments and Data Processing Session	Office of Science		Approved

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 19, 2007	18th Sanibel Conference on Mass Spectrometry	Sanibel, FL	Kertesz, Vilmos	746784	Chemical Sciences	Poster Presentation - Topic: Chemical Imaging	Office of Science		Approved
January 19, 2007	Nuclear Astrophysics/Study of Nuclei	Chicago, Illinois	D. J. Dean	36042	Physics	Session Organizer: "Nuclear Structure and Astrophysics: Theory and Experiment"	Office of Science		Not yet submitted to DOE/ORO
January 20, 2007	Photonics West 2007	San Jose, CA	Thomas Thundat	34530	Biosciences	Oral Presentation - Invited Keynote speaker	Office of Science		Not yet submitted to DOE/ORO
January 20, 2007	Photonics West 2007	San Jose, CA	Dave Geohagan	27731	CNMS	Conference Chair	Office of Science		Not yet submitted to DOE/ORO
January 20, 2007	Photonics West 2007	San Jose, CA	Alex Puzetky	622503	CNMS	Presentation in Session 3, entitled, "High Power Laser Vaporization Synthesis of Single Wall Carbon Nanotubes and Nanohorns."	Office of Science		Not yet submitted to DOE/ORO
January 20, 2007	Photonics West 2007	San Jose, CA	David Styers-Barnett	921607	CNMS	Presentation in session 3 entitled, "Pulsed Laser Heating for Controlled Growth and Processing of SWNTs."	Office of Science		Not yet submitted to DOE/ORO
January 21, 2007	2007 Midyear Topical Meeting - Decontamination, Decommissioning, and Environmental Cleanup	Knoxville, TN	James Bogard	21314	Biosciences	Oral presentation, and attending a meeting of the American Academy of Health Physics Executive Committee (as the Immediate Past President)	Office of Science		Not yet submitted to DOE/ORO
January 21, 2007	31st International Cocoa Beach Conference & Exposition on Advanced Ceramics & Composites	Daytona Beach, FL	Timothy Kinkland	25594	Materials Science and Technology Division	Presenting a poster on "C-Sphere Flexure Strength of Three Beadring-Grade Silicon Nitrides".	Office of Science		Not yet submitted to DOE/ORO
January 21, 2007	31st International Cocoa Beach Conference & Exposition on Advanced Ceramics & Composites	Daytona Beach, FL	Richard Lowden	25883	Materials Science and Technology Division	(7) business development - Connect MSTD with DOD-Related Activities	NSD PD Funds		Not yet submitted to DOE/ORO
January 21, 2007	31st International Cocoa Beach Conference & Exposition on Advanced Ceramics & Composites	Daytona Beach, FL	Yutai Katoh	625276	Materials Science and Technology Division	(1) oral presentation - Irradiation-Induced Creep of Chemically Vapor-Deposited Silicon Carbide as Evaluated by Bend Stress Relaxation Technique	Office of Science or possibly NE		Not yet submitted to DOE/ORO

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 21, 2007	31st International Cocoa Beach Conference & Exposition on Advanced Ceramics & Composites	Doytona Beach, FL	Kurt Johanns	914785	Materials Science and Technology Division			I asked attendee about reason for attending and source of funding	Not yet submitted to DOE/ORO
January 21, 2007	31st International Cocoa Beach Conference & Exposition on Advanced Ceramics & Composites	Doytona Beach, FL	Claus Daniel	9021182	Materials Science and Technology Division	(1) oral presentation - Multi-Phase Zirconia Processing for Dental and Other Applications	LDRD		Not yet submitted to DOE/ORO
January 21, 2007	Transportation Research Board's 86th Annual Meeting	Washington, DC	Demin Xiong	36287	Engineering Science & Technology	(5) Attending a meeting (meet the sponsor and present project results to the sponsor)	PD		Not yet submitted to DOE/ORO
January 21, 2007	Transportation Research Board's 86th Annual Meeting	Washington, DC	Pat Hu	25115	Engineering Science & Technology	(3) Chairing several committees and attending meetings.	PD		Not yet submitted to DOE/ORO
January 21, 2007	Transportation Research Board's 86th Annual Meeting	Washington, DC	Sheila Moore	32856	Engineering Science & Technology	(10) Coordinating and setting up the CTA reception.	PD		Not yet submitted to DOE/ORO
January 21, 2007	Transportation Research Board's 86th Annual Meeting	Washington, DC	Helmut Knee	17390	Engineering Science & Technology	(5) Member of TRB Vehicle Highway Automation Committee for 3 years	PD		Not yet submitted to DOE/ORO
January 21, 2007	Transportation Research Board's 86th Annual Meeting	Washington, DC	Sujit Das	26930	Engineering Science & Technology	(1) ORNL presentation on "Light Weight Material Modeling"	Office of Science		Not yet submitted to DOE/ORO
January 22, 2007	U.S. North American Carbon Program (NACP) Investigators Meeting & Joint Canada-Mexico-USA Carbon Program Planning Meeting	Colorado Springs	Chuck Garten	16285	Environmental Sciences	TCP Investigator - required to attend	Office of Science		Not yet submitted to DOE/ORO
January 22, 2007	U.S. North American Carbon Program (NACP) Investigators Meeting & Joint Canada-Mexico-USA Carbon Program Planning Meeting	Colorado Springs	Gary Jacobs	25715	Environmental Sciences	Division Director of PIs involved in Terrestrial Carbon Program - Communicates w/ DOE sponsors to manage program	Overhead		Not yet submitted to DOE/ORO
January 22, 2007	U.S. North American Carbon Program (NACP) Investigators Meeting & Joint Canada-Mexico-USA Carbon Program Planning Meeting	Colorado Springs	Richard Norby	27150	Environmental Sciences	TCP Investigator - required to attend	Office of Science		Not yet submitted to DOE/ORO

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 22, 2007	U.S. North American Carbon Program (NACP) Investigators Meeting & Joint Canada-Mexico-USA Carbon Program Planning Meeting	Colorado Springs	Anthony King	27682	Environmental Sciences	TCP Investigator - required to attend	Office of Science		Not yet submitted to DOE/ORO
January 22, 2007	U.S. North American Carbon Program (NACP) Investigators Meeting & Joint Canada-Mexico-USA Carbon Program Planning Meeting	Colorado Springs, CO	Lianhong Gu	901192	Environmental Sciences	Terrestrial Carbon Processes (TCP) Investigator - required to attend	Office of Science		Not yet submitted to DOE/ORO
January 23, 2007	Laue2007: International Workshop on Advanced Laue Diffraction in Frontier Science	Grenoble, France	Myles, Dean	902890	Chemical Sciences	Member of the International Scientific Committee for the Laue 2007 Workshop as well as an invited speaker.	Office of Science		Not yet submitted to DOE/ORO
January 24, 2007	International Workshop on Next Generation Regional Energy System Development	Seoul, Korea	Richard T. Wood	27249	Nuclear Science & Technology	Koreans invited him to attend (may present paper) he has not decided whether he will attend yet or not	Koreans would pay for trip if he decides to go.		Not yet submitted to DOE/ORO
January 24, 2007	Tennessee Native Grasslands Workshop "The State of the State"	Murfreesboro, TN	Harry Quarles	33960	Environmental Sciences	To gain knowledge to establish native grasses on the ORR	I think this is being funded by overhead in the Facilities & Operations Directorate (charge number 3x83320em)		Not yet submitted to DOE/ORO
January 24, 2007	Tennessee Native Grasslands Workshop "The State of the State"	Murfreesboro, TN	Mike Ryon	20486	Environmental Sciences	To gain knowledge to establish native grasses on the ORR	I think this is being funded by overhead in the Facilities & Operations Directorate (charge number 3x83320em)		Not yet submitted to DOE/ORO
January 28, 2007	2007 Winter Conference on Neutrinos in Physics and Astrophysics	Aspen, Colorado	Anthony Mezzacappa	36272	Physics	Oral Presentation/Core Collapse Supernovae	Office of Science		Not yet submitted to DOE/ORO
January 28, 2007	2007 Winter Conference on Neutrinos in Physics and Astrophysics	Aspen, Colorado	C. Y. Cardall	626600	Physics	Oral Presentation/Towards Five-Dimensional Supernova Simulations	Office of Science		Not yet submitted to DOE/ORO
January 28, 2007	Asian Particle Accelerator Conference 2007	Indore, India	Michael Plum	902724	Research Accelerator Division	Oral presentation, invited, title is "SNS Commissioning"	Office of Science		Not yet submitted to DOE/ORO

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 28, 2007	International Energy Agency Task 22 - January 2007 Experts Meeting	Monterey, CA	Cristian Costescu	905512	Materials Science and Technology Division	(S) Attending Meeting . . . sent Kathy Davis travelers email	Office of Science		Not yet submitted to DOE/ORO
January 28, 2007	IS&T/SP1E 19th Annual Symposium Electronic Imaging Science and Technology	San Jose, CA	Jeffrey Price	37915	Engineering Science & Technology	(1) "Fully Automatic Image-based Characterization of Coated Particle Nuclear Fuel using Texture Segmentation	Org Burden		Not yet submitted to DOE/ORO
January 28, 2007	LabAutomation2007	Palm Springs, CA	Mitchel John Doktycz	35585	Biosciences	Attending a meeting - co-author a paper being presented	Office of Science		Not yet submitted to DOE/ORO
January 28, 2007	LabAutomation2007	Palm Springs, CA	Hurst, Greg B.	24326	Chemical Sciences	Oral presentation entitled, "High Throughput Identification of Protein Complexes from Rhodopsudomonas palustris" to be presented in the session "Biomarkers: The How on Separation, Detection & Analysis Serving as a Decision Making Approach."	Office of Science		Not yet submitted to DOE/ORO
January 28, 2007	MicroRNAs and siRNAs: Biological Functions and Mechanisms	Keystone, CO	Yisong Wang	900749	Biosciences	Poster Presentation	Conference Organizer		Approved
January 29, 2007	Asian Particle Accelerator Conference 2007	Indore, India	John Galambos	25230	Research Accelerator Division	Poster Presentation	Office of Science	Asked for title of poster	Not yet submitted to DOE/ORO
January 29, 2007	Asian Particle Accelerator Conference 2007	Indore, India	Dong-o Jeon	37966	Research Accelerator Division	Poster presentation	Office of Science	Asked for title of poster	Not yet submitted to DOE/ORO
January 29, 2007	OECD/NEA Working Party	PARIS, France	Jess C. Gehin	34449	Nuclear Science & Technology	Oral Presentation on Reactor Analysis	Org Burden		Approved
January 30, 2007	ShipTech 2007	Biloxi, MS	Richard Sneed	919702	National Security Directorate	Navy programs development	GA/PD		Not yet submitted to DOE/ORO
January 30, 2007	UT Arlington Workshop on Piezoelectric Energy Harvesting	Fort Worth, Texas	Nancy Dudney	21656	Materials Science and Technology	(1) oral presentation - (invited) Rechargeable Thin Film Batteries	Office of Science PLUS conference		Not yet submitted to DOE/ORO
January 31, 2007	Fifth Symposium on Small Specimen Test Techniques	Costa Mesa, California	Jeremy Busby	742645	Materials Science and Technology Division	(1) oral presentation - Multi-Use Specimens for Characterization of Radiation-Effects	Office of Science, Fusion or ITER programs or a US Navy program		Not yet submitted to DOE/ORO

First Date of Conference	Conference Name	Conference Location (City, State or City, Country)	Name of Attendee	Badge Number	ORNL Division	Reason for Attending [1]	Source of Funding for Travel [2]	Comments	Status
January 31, 2007	International Workshop on Dynamics of Molecules and Materials	Grenoble, France	Christoph U. Williger	931482	Neutron Scattering Sciences Division	2. Poster Presentation The VISION Spectrometer at the Spallation Neutron Source	Office of Science		Not yet submitted to DOE/ORO

[1] Please use one of the following reasons:

1. Oral presentation (provide title or subject of presentation)
2. Poster presentation (provide title or subject of poster)
3. Chairing a session/panel (provide name of session/panel)
4. Conference organizer
5. Attending a meeting (provide justification)
6. Receiving an award (provide the name of the award)
7. Business development (please specify)
8. Interviewing potential staff/postdocs
9. Postdoc seeking job
10. Other (please specify)

[2] Office of Science, LDRD, PD, org burden, or other overhead
