

**§ 553.11 Limitations on inmate personal property.**

(a) *Numerical limitations.* Authorized personal property may be subject to numerical limitations. The institution's Admission and Orientation program shall include notification to the inmate of any numerical limitations in effect at the institution and a current list of any numerical limitations shall be posted on inmate unit bulletin boards.

(b) *Storage space.* Staff shall set aside space within each housing area for use by an inmate. The designated area shall include a locker or other securable area in which the inmate is to store authorized personal property. The inmate shall be allowed to purchase an approved locking device for personal property storage in regular living units. Staff may not allow an inmate to accumulate materials to the point where the materials become a fire, sanitation, security, or house-keeping hazard.

(c) *Clothing.* Civilian clothing (i.e., clothing not issued to the inmate by the Bureau or purchased by the inmate from the commissary) ordinarily is not authorized for retention by the inmate. Civilian clothing which previously had been approved for retention may not be retained after August 6, 1999. Pre-release civilian clothing for an inmate may be retained by staff in the Receiving and Discharge area during the last 30 days of the inmate's confinement.

(d) *Legal materials.* Staff may allow an inmate to possess legal materials in accordance with the provisions on inmate legal activities (see § 543.11 of this chapter).

(e) *Hobbycraft materials.* Staff shall limit an inmate's hobby shop projects within the cell or living area to those projects which the inmate may store in designated personal property containers. Staff may make an exception for an item (for example, a painting) where size would prohibit placing the item in a locker. This exception is made with the understanding that the placement of the item is at the inmate's own risk. Staff shall require that hobby shop items be removed from the living area when completed, and be disposed of in accordance with the pro-

visions of part 544, subpart D, of this chapter.

(f) *Radios and Watches.* An inmate may possess only one approved radio and one approved watch at a time. The inmate must be able to demonstrate proof of ownership. An inmate who purchases a radio or watch through a Bureau of Prisons commissary is ordinarily permitted the use of that radio or watch at any Bureau institution if the inmate is later transferred. If the inmate is not allowed to use the radio or watch at the new institution, the inmate shall be permitted to mail, at the receiving institution's expense, the radio or watch to a destination of the inmate's choice. Where the inmate refuses to provide a mailing address, the radio and/or watch may be disposed of through approved methods, including destruction of the property.

(g) *Education Program Materials.* Education program materials or current correspondence courses may be retained even if not stored as provided in paragraph (b) of this section.

(h) *Personal Photos.* An inmate may possess photographs, subject to the limitations of paragraph (b) of this section, so long as they are not detrimental to personal safety or security, or to the good order of the institution.

[64 FR 36753, July 7, 1999]

**§ 553.12 Contraband.**

(a) Contraband is defined in § 500.1(h) of this chapter. Items possessed by an inmate ordinarily are not considered to be contraband if the inmate was authorized to retain the item upon admission to the institution, the item was issued by authorized staff, purchased by the inmate from the commissary, or purchased or received through approved channels (to include approved for receipt by an authorized staff member or authorized by institution guidelines).

(b) For the purposes of this subpart, there are two types of contraband.

(1) Staff shall consider as hard contraband any item which poses a serious threat to the security of an institution and which ordinarily is not approved for possession by an inmate or for admission into the institution. Examples of hard contraband include weapons,
