RSPA-97-2896-21

Mr. Richard Tarr:

Dear Sir:

First Air has a need to ship PPE's to Nelcor Puritan **Benett** in Lenexa, Kansas. These PPE's are identified as:

Oxygen generator, **chemical**,  
Division 5.1,  
UN 3356,  
Packing Group II.

The PPE's originated from Nelcor Puritan **Benett**, but now require **servicing**.

It is our intention to ship them by air, in accordance with the International Civil Aviation Organization Technical Instructions For The Safe transport of Dangerous Goods By Air,

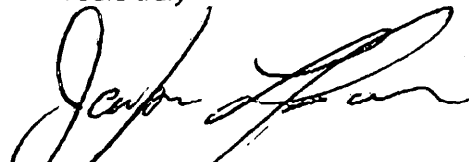

We will be in full compliance with Packing Instruction 523 of the **TI** and as a result will be complying with 7 c and d of the existing permit DOT 11937.

The PPE will be in a sealed plastic bag and placed within a sealed fibreboard box. The completed unit(s) **will** be placed in a UN specification **fibreboard** box with the gross weight not to exceed 25 Kg.

First Air requires authorisation to transport these PPE's into and within the **U.S.** and this letter is our application for this authorisation.

I can be reached at (613) 521-9311 **ex.** 294 or by fax (613) 521-1952.

Yours truly

  
Jasper Lafrance  
Safety Officer
