Having a license or certification can open doors for you in today's workplace. Many professions require a license or certification. A license or certification may also be required for jobs that are subject to State or other government regulations. Licensing and/or certification may play a key role in advancing your career in jobs such as a mechanic, medical technician, therapist, computer network engineer, web site developer, and others. By certification, we mean the certification you get by taking a specific test for a field of employment, not a certificate you receive for completing training.

If you're eligible, the Department of Veterans Affairs (VA) can reimburse you for taking a license or certification test. The test must be approved for VA purposes. Generally we must receive your request within one year of when you took the test. For more information about these programs, visit our Internet site: www.GIBILL.va.gov

You may receive reimbursement for approved licensing and certification tests if you qualify for:

- Montgomery GI Bill (MGIB), or
- Montgomery GI Bill Selected Reserves (MGIB-SR) (Public Law 109-163 enacted January 6, 2006)
- Reserve Education Assistance Program (REAP) (Public Law 109-163 enacted January 6, 2006)
- Veterans Educational Assistance Program (VEAP), or
- Dependents Educational Assistance (DEA)

What Do I Have To Do?

- Step 1 Apply for education benefits. If you've previously applied for education benefits, you don't need to apply again. Go to step 2.
- If you've never applied before, you can complete and submit your application on-line. Just go to www.GIBILL.va.gov and click on Electronic Application Form.
- Step 2 Apply for reimbursement. See the next section below.

How Do I Apply For Reimbursement?

To apply for test reimbursement, send us a signed and dated request with the following information. A checklist is provided on the back of this pamphlet. You must give this information for each test taken.

- Your name, address and Social Security number or VA claim number
- The name of the test you took and the date you took it
- A copy of each test results for each test taken, whether or not you passed it
- The name and address of the **organization issuing the license or certificate** (not necessarily the organization that administered the test)
- The cost of each test.

NOTE: We can't reimburse you for registration fees, preparation guides, processing fees, etc.

- This statement: "I authorize release of my test information to VA."
- Your signature and date signed.

Regardless of whether you use the checklist provided or send us a statement, you should attach a copy of your test

results or a copy of your license or certification if you have them.

How Do I Find Which Tests Are Approved?

To find out which tests are approved, visit our Internet site: www.GIBILL.va.gov/Education/LCweb/search.asp

If you can't find your test, you should still apply for education benefits. Your test may be approved but not appear on the list.

How Much Can I Receive?

You can receive reimbursement of up to \$2,000 per test but not more than the VA approved cost of the test. You may receive benefits to **retake** a test you didn't pass. You may receive benefits to retake a test you passed if the test is required for recertification or to allow you to retain a license you already have.

You must be eligible for benefits in order to receive test reimbursement. Your total months of benefits will be reduced each time you receive reimbursement for a licensing or certification test.
