Dear FCC:

Â Please approve this merger... it will only enhance the CHOICES of radio/TV viewers..... Everyone vowed NEVER to pay for TV 30 and 40 years ago..... why should they..... it was free..... Then came the birth of Cable TV.... The same "birth", or re-birth is happening to satelite radio.... please do not stop this gift to the people.... Satelite TV was a gift.... in that it opened up our world of possibilities, in a changing world.

Sincerely,

John Moran
