## Used Tyre Recycling

by

# The Problem...

The Solution:

LOGISTIC

# The Solution: step 1

# The Solution: step 2a

# The Solution: step 2b

# The Solution: step 2c

# The Solution: step 2d - Happy faces

# The Solution: step 2e

## More Happy faces!!!

# The Solution: step 3a

## Recyling Plant in Guadeloupe (FWI)

# The Solution: step 3b

# The Solution: step 3c

# The Solution: step 3d

# The Solution: step 3e Rubber Powder

# The Solution: step 3f – Scrap metal

Congratulation to Antigua  
(client since 2006)

Who's next ?????

Used Tyre Recycling cost:

USD 100 per ton

CIF Recycling plant in

Guadeloupe

\*\*\*\*\*

By the way....  
Plastic recycling does exist  
as well in Guadeloupe...

\*\*\*\*\*

We buy sorted HDPE and  
PET anytime any quantity

\* \* \* \* \*

Our sister company, AER,  
recycles used cars...

\*\*\*\*\*

# Thank you
