Dear FCC:

As a XM subscriber, I hope you ALLOW the merger of the two companies. I feel the combination of the 2 companies would allow better choices for the subscribers. I want the option to have access to both channel lineups. When I first herd about the possible merger, I even said that I would be willing to pay more. I have seen the price tiers and I really look forward to having that option to choose channels. I got XM for the NASCAR channel then it went to Sirius but I loved my XM so with the Merger I can have once again receive my NASCAR with having 2 services together. Thanks for your time.

Sincerely,

Kevin Appelgren
