

at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council of Environmental Quality Regulations (<http://ceq.eh.doe.gov/nepa/nepanet.htm>) for implementing the procedural provision of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

(Authority: 40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21)

Dated: March 28, 2002.

Donald L. Meyer,

Acting Regional Forester.

DEPARTMENT OF AGRICULTURE

Forest Service

Central Idaho Resource Advisory Committee Meeting; Salmon-Challis National Forest, Butte, Custer, and Lemhi Counties, ID

AGENCY: Forest Service, USDA.

ACTION: Notice of meeting of the Resource Advisory Committee.

SUMMARY: The Central Idaho Resource Advisory Committee will meet at 2 p.m., April 11, 2002 at the Custer County Courthouse, Challis, Idaho. The 15-member committee will be evaluating proposed projects and recommending projects to the Salmon—Challis National Forest. The committee will also discuss individual project proposals for 2002. The meeting is open to the public and time will be scheduled for public comments.

The Central Idaho Resource Advisory Committee was established by the Secretary of Agriculture under Title II of the Secure Rural Schools and Community Self-Determination Act of 2000 to work collaboratively with the Salmon-Challis National Forest to

provide advice and recommendations consistent with the purposes of the Act.

George P. Matejko,

Forest Supervisor, Salmon—Challis National Forest, Designated Federal Official.

mail: abarnett@rdmail.rural.usda.gov.

SUPPLEMENTARY INFORMATION**Paperwork Reduction Act**

The reporting requirements contained
in this notice have been approved by the
Office of Management and Budget
(OMB) and have been assigned OMB
control number 0575-0173 in
accordance with the Paperwork
Reduction Act (44 U.S.C. 3501 *et seq.*).

Authorizing Legislation and Regulations

This program is authorized under
section 306(a) of the Consolidated Farm
and Rural Development Act. RHS will
administer these funds using the same
regulations that govern its Community
Facilities grant program. Program
administration, eligibility, processing,
and servicing requirements that govern
the Community Facilities grant program
may be found under 7 CFR part 3570,
subpart B.

Background

Under the FY 2002 appropriation,
Congress appropriated \$4 million for a
Community Facilities grant program for
tribal colleges, hereafter referred to as
the Tribal College Initiative. The eligible
tribal colleges are 1994 land-grant
institutions that have met the criteria
under the Equity in Education Land-
Grant Status Act of 1994. These funds
are in addition to the Community
Facilities grant program's regular
allocation of competitive grant funds.

Additional Eligibility Requirements

In addition to those requirements
contained in 7 CFR part 3570, subpart
B, applicants eligible to compete for
tribal college funds for FY 2002 must be
one of the land-grant institutions that
meet the criteria under the Equity in
Education Land-Grant Status Act of
1994.

Allocation of Funds

All Tribal College Initiative funds will
remain in the National Office reserve for
funding consideration for FY 2002.
Project selections will be on a national
competitive basis. There will be two
windows of opportunity to compete for
grant funding. It is anticipated, the first
16 round of funding selections will be
made after May 10, 2002. The second
round will be held after August 23,
2002. Each application will be limited
to \$200,000.

Selection Process

Once a determination has been made
by the State Office that an applicant is
eligible, the preapplication is evaluated
competitively and points awarded as
specified in the project selection
priorities contained in 7 CFR part 3570,
subpart B. The State Director or
designee will then forward the request
to the National Office to compete for
funding consideration. Projects will
then be rated, ranked, and selections
made in order of priority. Each proposal
will be judged on its own merit. Unless
withdrawn by the applicant, projects
not selected for funding consideration
for the first round of funding selections
will remain eligible to compete for the
next round of funding.

To be considered for the first window,
all preapplications along with
supporting documentation satisfactory
to the Agency must be received by the
Rural Development State or designated
field office by close of business May 3,
2002. To be considered for the second
window, all preapplications must be
received by the Rural Development
State or designated field office by close
of business August 16, 2002.

Notice of Invitation to Submit Complete Application

All preapplications selected for funding consideration will be notified by the State or field office by issuing Form AD-622, "Notice of Preapplication Review Action." At that time, the proposed recipient will be invited to submit a complete application, along with instructions related to the agreed upon award amount, and asked to schedule an application conference to discuss items needed for formal application and to further clarify issues related to the project.

Final Approval and Funding Process

Final approval is subject to the availability of funds; the submission by the applicant of a formal, complete application and related materials that meet the program requirements and responsibilities of the grantee (contained in 7 CFR part 3570, subpart B); the letter of conditions; and the grant agreement. Those preapplications that do not have sufficient priority necessary to receive funding consideration for FY 2002 will be notified, in writing, by the Agency's State or designated field office.

Dated: March 28, 2002.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-570-867]

Antidumping Duty Order: Automotive Replacement Glass Windshields from the People's Republic of China.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of antidumping duty order.

DATES: April 4, 2002.

FOR FURTHER INFORMATION CONTACT: FOR FURTHER INFORMATION CONTACT: Stephen Bailey and Brandon Farlander at 202-482-1102 and 202-482-0182 respectively, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, N.W., Washington, DC 20230.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 C.F.R. part 351 (2001).

SUPPLEMENTARY INFORMATION:

Background

On February 12, 2002, the Department issued its final determination in the antidumping duty investigation of automotive replacement glass ("ARG") windshields from the People's Republic of China ("PRC"). See *Notice of Final Determination of Sales at Less Than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic of China*, 67 FR 6482 (February 12, 2002). On March 6, 2002, the Department issued its amended final determination in the antidumping duty investigation of ARG windshields from the PRC. See *Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic*

of China, 67 FR 11670 (March 15, 2002) (Amended Final Determination). In the Amended Final Determination, the Department amended the weight-average margins for Fuyao Glass Industry Group Company, Ltd. ("FYG"), Xinyi Automotive Glass (Shenzhen) Co., Ltd. ("Xinyi"), Shenzhen Benxun Auto-Glass Co., Ltd. ("Benxun"), Changchun Pilkington Safety Glass Co., Ltd. ("Changchun"), Guilin Pilkington Safety Glass Co., Ltd. ("Guilin"), Wuhan Yaohua Pilkington Safety Glass Co., Ltd. ("Wuhan"), and TCG International ("TCGI").

On March 21, 2002, the International Trade Commission notified the Department of its final determination pursuant to section 735(b)(1)(A)(i) of the Act that an industry in the United States is materially injured by reason of less-than-fair-value imports of ARG windshields from the PRC.

Scope of the Investigation

The products covered by this investigation are ARG windshields, and parts thereof, whether clear or tinted, whether coated or not, and whether or not they include antennas, ceramics, mirror buttons or VIN notches, and whether or not they are encapsulated. ARG windshields are laminated safety glass (*i.e.*, two layers of (typically float) glass with a sheet of clear or tinted plastic in between (usually polyvinyl butyral)), which are produced and sold for use by automotive glass installation shops to replace windshields in automotive vehicles (*e.g.*, passenger cars, light trucks, vans, sport utility vehicles, *etc.*) that are cracked, broken or otherwise damaged.

ARG windshields subject to this investigation are currently classifiable under subheading 7007.21.10.10 of the Harmonized Tariff Schedules of the United States (HTSUS). Specifically excluded from the scope of this investigation are laminated automotive windshields sold for use in original assembly of vehicles. While HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of this investigation is dispositive.

Antidumping Duty Order

In accordance with section 736(a)(1) of the Act, the Department is directing Customs officers to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of ARG windshields from the PRC. The antidumping duties will be assessed on all unliquidated
