	incubation posture				
NY	A <u>nest</u> with <u>young</u> seen or heard				
	confirms breeding.				

An observation of any breeding species that is not on this list should be documented using a Rare Breeding Bird Report Form. In the event of such a rare observation, also notify your Regional Organizer so that the observation can be confirmed by other atlasers, if needed.

Be sure to fill in the date for each species recorded. Change the date when you up-grade a breeding code. Please return your completed cards and reports to your Regional Organizer as soon as you have finished your fieldwork for the year (even if the block is not complete). Keep copies of all atlas cards and reports for you records. The deadline for giving all cards and reports to your Regional Organizer is September 15 each year.
